*Hi Everyone*

*It's not Kathryn this month, she's having a well deserved break so she can concentrate on her lovely family. She amazed us all by getting the May issue out practically while giving birth! What a 'Super Mum' she is. Congratulations Kathryn, Ian and all the family - I know all our readers will want to join me in wishing you all the best with little Arthur.*

*As mentioned last month, we are launching the website fully this month and to coincide with that have changed the front cover lay-*

*out. Hope you like the new logo and are starting to log onto the website. Don't forget to contact us with ideas for the site and details of any links you want added.*

*As I write this I'm hoping for some lovely June weather, so that the Jubilee celebrations can be a resounding success and enjoyed by all - hope you have a great time!*

**We welcome all contributions to the content of the Newsletter, but please remember that the deadline date is 8pm on the 15th of the month.**

# Parish Church of St Peter and St Paul

The title 'Eucharist' comes from a Greek word meaning 'thanksgiving' and among others (Holy Communion, Mass etc.) it is the title given for the central act of Christian worship. In this, the only service given by Christ to his Church, we remember that with his disciples gathered around him Jesus 'gave thanks' to God as he took bread and wine and declared them to be his body and blood. It is through our recalling of this supreme act of 'thanksgiving' that we continue to receive Christ in sacramental food and are strengthened in our faith.

Preferring worship in small churches, Her Majesty the Queen is an assiduous Sunday churchgoer and this remains the case wherever she is in the world. In his excellent book 'Our Queen', Robert Hardman refers to a Sunday visit in 1994 to a Guyanese rainforest and how even in such an environment a diversion had to be made to a mission church for morning service! Sunday 3rd of this month (the Feast of the Most Holy Trinity) is the very special Sunday when we are invited to celebrate and give thanks to God for the Diamond Jubilee of Her Majesty. It is wholly appropriate on this day that our Parish Eucharists (9am Lydden and 10.30am Temple Ewell), and to which everyone is warmly invited, will be offered in sincere affection and deep gratitude for a lady whose strength of faith (through the good, and through the trials) has been such an example and inspiration.

## Sunday Club

We look forward to taking part in the Jubilee carnival. The older children have made our banner which should look good on the day.

Our collections this term are for Christian Aid and towards the costs of the ecumenical holiday club taking place in the summer holidays.

We welcome any new children who would like to join us and can assure parents that our leaders have been having training in the new child protections guidelines from the Diocese.

We have exciting plans as we head towards the end of this academic year and we break up for the summer holidays.

If anyone would like further information please contact Jenny on 824280 or Margaret on 820615

## **Councillor Geoffery Lymer**

Well after a very wet April we do not seem to be looking at a very promising May weather wise, though there is a glimmer of hope for June if the weather forecasting is to be believed.

This month I would like to broach the concerns that some grand parents ask me for advice on and that is to do with their grand children and their rights to access in the event of a family break up. It is often a tense time when your son or daughter is going through a divorce or separation, then there is the question or dispute about any future contact with your grandchildren. Quite often grand parents can find themselves being denied contact by their own children where their relationship breaks down.

Under the current legal framework grand parents may have few rights of redress. The courts can decree what contact should be with people involved in the child's life or where they can reside, grandparents unfortunately do not fall into this category. As a result grandparents would have to apply for permission to make their own application to establish "contact rights." As to whether their application could be granted could depend on factors such as the nature of the application that the grand parents would want to make and would there be a risk of interrupting the child's life to a point where it could be deemed disruptive. Though very few grand parents are refused permission.

There are currently discussions ongoing that could lead to legislation being formulated making one of the biggest changes to generations of family law. This would be known as "presumptive shared parenting." Effectively the legislation would provide men with shared or equal access to their children when a relationship ends. This would make it much easier for grandparents to maintain contact with their grandchildren when parents separate, the problem normally affecting those on the father's side.

A willingness to mediate or negotiate will help ensure access disputes remain away from the court rooms by ensuring that a child's best interests are met by continued access to loved ones.

We offer a small rural school with a good team of professionals and well behaved children. Children are good at caring for each other, learning is fun and each child is developed as an individual. We aim to equip children with essential skills that they can apply throughout their life.

OFSTED 2011 confirmed our ability to differentiate learning well for both age and ability. 'Pupils continue to make good progress through the school so that their attainment by the time they move to secondary school is generally above average'.

'There is a very positive engagement with parents and carers, with many commenting specifically on how well their child settled and is progressing'.

We have 'Share a class' sessions six times a year, where parents are invited in to learn alongside their children.

## THE FINAL VISIT

As any pet owner knows, this is the most difficult of decisions. Do I make this the final visit to the vets for my pet? That furry member of the family who has been faithful and true over many years and given such joy? It is now hard to see your friend suffering and to assess what will be the future quality of life. What is the right decision to take? What is in the best interests of the animal concerned? At some stage the final visit has to be made.

Is it any easier if it is a human member of the family we are considering? Are the considerations the same? Why should it be any different being human rather than canine or feline? If God has made us humans in his own image? If he has put his spirit within us? This would result in an essential part of us being eternal. We would be under the care of an almighty God and our days would be numbered by him. This would result in a profound difference in being human.

“Don’t you know that you yourselves are God’s temple and that God’s spirit lives in you?” 1 Corinthians ch.3 verse 16.

# Bike Club

Temple Ewell Bike Club were out fund raising again on 6th May in aid of Pilgrims Hospices. On a quite soggy, dull Sunday morning David Gavin, Chris Barnett, Bob Potts, Steve Smith and Jenny Olpin set off to ride the 45 miles from Canterbury Hospice to Ashford Hospice and back again! The team were faced with the challenge of climbing the beautiful Wye Downs and on return the greenery of Stelling and Rhodes Minnis' and into the winding Elham Valley. A somewhat gruelling ride but the warm welcome back at Canterbury, with oodles of cakes, rolls and hot drinks added to the satisfaction of raising approximately £750 for the charity. Well done everyone.

## THE QUEEN'S DIAMOND JUBILEE WEEKEND 1st to 5th JUNE 2012

**Those villagers and organisations joining the Carnival Parade please convene from 2.00 in Green Lane. If you want further information please ring either 825011 or 824280.**

The committee has been working hard through the long winter evenings to formulate a full weekend of events.

We start on **FRIDAY** with a lunch in the village hall.

This is being organised by Marilyn and Trish with Youth Club in attendance. There will be a two course lunch followed by a good old fashioned sing-a-long with Friday Club's favourite Tim Greenwood.

There will be a nominal charge of £2 per person and tickets must be bought in advance. There are a limited amount of tickets and we would like them to go to our 'over 60's'.

Tickets are available at the Post Office.

On **SATURDAY** there will be a children's Diamond Hunt on the playing field from 11.30 with a barbecue and sports games.

This is aimed at primary school children and more details will follow.

The main event is on **SUNDAY** 3rd June. There will be a carnival procession from Green Lane down Templeside and through the village to the Playing Field.

We are hoping that lots of people will join in the parade in fancy dress and there will be prizes for those judged the best.

On the field we want everyone to join in The Queen's Big Lunch. We want you to bring your own food and drink, tables and chairs or just a blanket to sit on. We have tables with pitches available for you hire at £5 per table.

These will have priority and will be closest to the stage where the entertainment will be. These will be sold on a first come first served basis and will be in an exclusive area. The remainder of the field will be free for everyone to choose wherever you wish to sit. Plenty of room for all. Please see the booking form if you wish book your £5 pitch.

The entertainment will include JOSH the clown for the children and in the evening our HEADLINE ACT is THE NEW DREAMERS.... For those who remember Freddie and the Dreamers... they are a 60s /70s cabaret show band with some original members of the old band!

We are hoping to attract some local entertainment as well, and of course we will have a sing-a-long.

There will be an ice cream van in the afternoon and in the evening a burger van will be there for hot food and drinks.

We have also organised proper toilet facilities with a big vote of thanks to the Parish Council for their help with the finance.

We will finish the evening with a bang at about 10pm with a fireworks display!

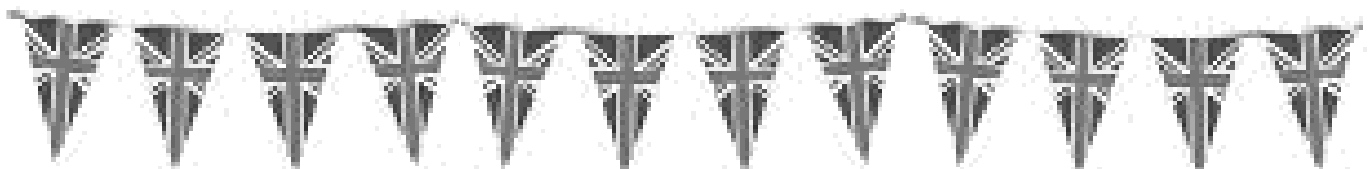

On **MONDAY** the Parish Council have organised a new beacon for the playing field. We are officially part of the HRH Diamond Jubilee Beacon Lighting Event.

We are hoping to get everyone gathered around the beacon for the special celebration at approximately 10.30pm. For more information look at the website [www.diamondjubileebeacons.co.uk](http://www.diamondjubileebeacons.co.uk)

We will be printing a commemorative programme of events so please buy one when they are out and we are aiming to fund raise with a prize draw, so look out for those tickets too.

We need people to volunteer to help us with the organisation on Sunday. We need marshalls and stewards for the parade and on the field. We also need people to help set up and take down all the tables and cordons in the arena. We would like to have first aiders on duty so if you are qualified and would be prepared to be available on the day we would love you to contact us.

***WE ARE ALL LOOKING FORWARD TO A BRILLIANT WEEKEND...  
DON'T FORGET YOUR FLAGS!***

## Viva Beryl Cook

When I was in my younger days,  
I weighed a few pounds less,  
I needn't hold my tummy in  
To wear a belted dress.  
But now that I am older,  
I've set my body free;  
There's comfort of elastic  
Where once my waist would be.  
Inventor of high-heeled shoes  
My feet have not forgiven;  
I used to wear a six,  
Now I wear a seven.

And how about those blasted tights --  
They're sized by weight, you see,  
So how come when I put them on  
The crotch is at my knee?  
I need to wear these glasses  
As the print's been getting smaller;  
And it wasn't very long ago  
I know that I was taller.  
Though my hair has turned to grey  
And my skin no longer fits,  
On the inside, I'm the same old me,  
The outside's changed a bit.

# Temple Ewell & District Produce Association

I am sorry there weren't any notes last month but I want to thank you for supporting our Spring Show. The Village Hall looked lovely with the Daffodils, Tulips and various Spring flowers, also the School pictures, I am sure we have some budding artists there.

We are now coming up to the Summer Show on Saturday 7th July and I hope you will all get your Show Schedules out and see if there is anything you would like to enter on the Show bench. Read the Schedule carefully and make sure you get your entries in the right class and that they are "According to Schedule". If you are in doubt there will be help on hand on the day. If you would like a Show Schedule, you can get one from me at 129, London Road, Temple Ewell.

On the 15th. April the Temple Ewell Produce Association had a coach trip to the Gardens of Capel Manor Horticultural College. There were so many different gardens and borders to see and to admire. The various, ex Chelsea, gardens are all so different. Also Enfield Gardeners had their Garden Show that day.

There were demonstrations of Do-It-Yourself gardening, several plant stalls, chain saw carving, birds of prey flying, gardening question and answer sessions, a wedding fair, a vintage car show and a book signing. There was face painting and arts and crafts for the younger visitors. There were hot drink and ice cream vans. Cream Teas were served in the Manor House, and the refectory was open for hot snacks next to a food tasting hall. The weather was a little damp and chilly but a very enjoyable day. And no one was left in the Maze.

Our next trip will be in September when we hope to go to the Royal Horticultural Society's gardens at Wisley. The details of that trip will be given next month and at our Summer Show on Saturday 7th July.

Thank you John, for a nice day out at Capel Manor.

**Beryl and Fred**

***See you on the 7th July***

# Temple Ewell Players

As I write we are just about embark on 'A Sentimental Journey' for four nights, the cast and crew have worked extremely hard and I hope the fruits of our labour will kick off our 40th year in style! The lights are going up, the costumes are having their final alterations and the scenery is having its final touches of paint. All that's left to take its place is you!\*

We hope you enjoy and here's to the next 40 years! In other news we are looking forward to the Jubilee celebrations this month; we have a walking float for the village procession and are thinking hard about our theme. Hopefully the weather will hold out and make a memorable day even better!

See you all there  
Rachel

# Village Folk

This month we are turning our attention to a very special lady within our community, who has set your roving reporter quite a challenge to cover all the differing aspects of village life that she gives her time so freely with – Mrs Jenny Miles.

Born in Crayford, South London in 1938 where her father was a London taxi driver, her family remained there for the first 18 years of Jenny's life before moving to Marble Arch for 6 years.

Jenny was evacuated to Cornwall during the war when she was just 4 years old and it was there where she developed her love of the English countryside.

When she married, she moved to Mottingham in South London as her husband ran the local YMCA hostel. Jenny obtained work in the area and her clerical roles included working for the local council, then the offices of Glaxo and latterly The Royal National Institution for the Blind.

Jenny's husband was then transferred to the YMCA in Islington where Jenny managed to get a job working in Moorfield's Eye Hospital. These last two jobs confirmed to Jenny that she had a love of working with people and helping them in any way she could.

The move to Temple Ewell came in 1970 when her daughter, Alison, was just 2 years old, and Jenny has lived in the same house ever since. After her son Robin was born, Jenny started lending a hand with the local Guides troupe and from there, her volunteering role just grew and grew....

## Helping Hand :

Currently, Jenny is involved with the following groups ;

- Temple Ewell Newsletter where she volunteered her services when the Newsletter was formed 11 years ago – and is still a very active committee member.
- Local Church – This plays an important part in Jenny's life and she has helped on many fund raising events to ensure that the church remains within the community.
- Children's Sunday Club. In addition to other duties, Jenny is involved in bible teaching, crafts, and actively encouraging the children of our community to be comfortable with being part of the church – without any "bible thumping"!

- Community Coffee Mornings where Jenny's tea and coffee making skills are widely and highly spoken of!!
- Dover Christian Aid – mainly fund raising and promotion.
- Children Network. This is a Dover group who work with children within churches to promote and support children's work within the church environment.

Previously Jenny served as a councillor on Temple Ewell Parish Council for many years, including in the position of chairperson. Jenny is strongly supportive of the Parish Council as she firmly believes that it is immensely valuable for local people to have input into how their village is run and to ensure that specific needs within the community are catered for.

Hobbies : With all this voluntary work, it would be hard to imagine that Jenny has much time left to indulge in any hobbies. However, her great love of reading is evident – by the number of books in her home. She is a member of the local book club and reckons to have read her way through some 160 books. She is interested in a variety of topics but specifically historic novels.

Her two children and her grandchildren all live within the immediate area and Jenny adores spending time with them. Her circle of friends is, as you may well imagine, large too. She recently entertained some friends who came to stay with her, that she has known since she was 4 years old.

Travel : Mainly in the UK, Europe and Canada, when time permits. Jenny particularly loves meeting up with her two sisters in London for the day to explore the many interesting facets of our capital city.

The one overwhelming impression you are left with about Jenny is how enthusiastic she is for the strong community within Temple Ewell. No matter where in the world she goes, she is always immensely happy to return home here. Her untiring and unswerving involvement in the local community has most certainly helped many of us feel exactly the same joy at living in such a close, happy and supportive community.

Thank you Jenny.

A very quiet month again at the Friday Club.

Sadly, another of our long term members passed away recently - Emily Lawrence (Emmie to her friends). She will be missed by us all especially her long term friend and neighbour Jean Fowler, they were like two peas in a pod, where one went the other followed. God Bless you Emmie.

We shall soon be advertising our outings so watch this space.

# Temple Ewell Parish Council

Temple Ewell Parish Council Meeting 24th April 2012

## **Her Majesty The Queen's Diamond Jubilee:**

A network of over 4000 Beacons will be lit by communities and others throughout the United Kingdom, Channel Islands and the Isle of Man, along with the Commonwealth and UK Overseas Territories on Monday 4th June 2012 to celebrate Her Majesty The Queen's Diamond Jubilee.

Come and join a fun family evening at King George V Playing Field culminating in the lighting of Temple Ewell's Beacon at 10.15pm.

## **Digital Switchover Reminder:**

### **1.7 MILLION VIEWERS PREPARE TO SWITCH**

There are just two weeks to go until the first stage of switchover on 30 May for viewers across East Sussex and South West Kent watching TV from the Heathfield, Hastings or Tunbridge Wells transmitters. Viewers across most of Kent and parts of East Sussex who receive TV from the Dover or Bluebell Hill transmitters will begin to switch on 13 June – you can check when you are due to switch on the Digital UK website.

**Village Rubbish** – Roger Walton, DDC, Director of Environment and Corporate Assets replied to the Parish Councils concerns regarding Veolia Waste Collection Services. He explained that his general impression was that standards have improved over recent weeks. Clearly the failure to clear litter dropped during the course of collections is not acceptable and he will highlight this to their contractor. As regards to paper blowing out of their boxes, individual householders can help by placing their food bins on top of the paper or indeed packing paper in the box in such a way as to minimise the problem. DDC has given careful consideration to the need to provide lids but evidence from other Districts is that these can be just as much a nuisance when they blow around too.

**Veolia Water Company** – Tony Whitehouse wrote to the Parish Council following a visit to the Leat where he witnessed evidence of bonfires and elements of fly tipping and general debris on the Brookside Bank. The condition of the area raises concerns for undermining of the bank and resulting obstructions/blockages in the Leat. The Chairman and Cllr R Marsden agreed to meet with Mr Whitehouse to discuss this issue and will report back at the next meeting.

**Dragon Wood** – Queen Elizabeth 11 Fields Challenge – The Clerk provided further information for the Parish Councillors for consideration regarding the scheme. After much debate it was proposed that Terry Housden, Regional Manager, The Queen Elizabeth II Fields Challenge be asked to inspect the site and provide a report. If this is acceptable then the Parish Council should pursue a Deed of Dedication. Three Parish Councillors were in favour, three abstained.

***Parishioners are encouraged to report any incidents within the village to PCSO Stevens on 0777 222 6209 or to go to the PCSO's monthly surgery. For immediate help contact Dover Police on 01304 240055 or dial 999.***

***The agenda and minutes are displayed on the Parish Council notice board by the village shop, Southdown Stores and on the Parish Council Web-site. Contact details for councilors are on the website [www.templeewellpc.kentparishes.gov.co.uk](http://www.templeewellpc.kentparishes.gov.co.uk)***

***The full Parish Council meets on the last Tuesday of the month (excluding August & December) at 7.15pm at the Temple Ewell Baptist Church Hall on the corner of the High Street and London Road.***

***Parishioners are most welcome to attend and contribute to meetings.***
