Hello Everyone

What a cute little pumpkin!

There's such a lot going on in the village this month, so everyone should find something that interests them or a cause that they wish to support.

It's great to see the Youth Club raising funds for MacMillan cancer charity again - well done all of you. And the Parish Council have organised a footpath ramble to help with Children in Need, the Church has a couple of fundraisers in the diary and of course the Newsletter's Murder Mystery is this month - so make sure you get your tickets soon for all of these events.

I'd like to say a big thank you to all our advertisers - both those who have renewed and all the new ones - without the revenue from advertising we would not exist, so we really appreciate your support and hope that you get lots of business from your adverts. Readers, please use our advertisers whenever you can, they are all local people.

Michael has played an active role in the class and school community during his time at Temple Ewell.

He was the Chair of School Council during Year 6 and had the responsibility for compiling agendas and leading the regular meetings. Michael has a mature approach, and values the ideas and opinions of others, as well as contributing his own innovative suggestions. He always listens carefully and encourages the younger children to contribute to discussions.

## **Thea Jones**

Thea came to Temple Ewell in 1961 and taught the Reception Class at our primary school. She loved nature and took the children on walks and introduced them to hamsters and stick insects, which she brought to school from her menagerie at home.

Thea became a Lay Reader at our church and sang in the choir with her husband Glynn until her retirement from school. They then settled in Scotland in a cottage near Kinlock Rannoch, Perthshire, in the shelter of 'her mountain', as she called Mount Schiehallion.

Thea never lost interest in Temple Ewell and welcomed visits from old friends and received our Temple Ewell Newsletter regularly.

Thea passed away peacefully in her 93rd year at home with her son Grant caring for her.

## Youth Club

We all enjoyed the summer and are now back to school and Youth Club. We are busy planning our fundraiser afternoon for MacMillan Cancer Care. There will be a Tea Afternoon on Saturday October 3rd, there will be lots of different stalls, craft, cakes, tombola, raffle, plants etc. Admission is £2 which includes tea and cake. ALL proceeds go to MacMillan (See page 29). Last year we raised £341.16 and we are hoping to better that this year. Your support would be gratefully appreciated. Check our Facebook page.

## Willows

The Willows disco in August was enjoyed by everyone with lots of dancing and singing. Some of the Youth Club members joined us which was great.

We are all looking forward to taking part in Aylesham Carnival and everyone is very excited about our planned trip to Chessington. More news next month. Check us out on Facebook

## Branching Out

Our open morning was a success. We will be running on Monday, Tuesday and Friday and provide a day service for adults with learning disabilities. We have a community project to work on in conjunction with the Parish Council, which means the planter as you enter the village from Lydden should soon be looking good!

## Friday Club

We have returned from our shut down, which was for the whole of August and are now back in the swing of things.

We kicked off with a Fish and Chip Lunch which went down very well. There were twenty-eight of us all munching away and the silence was deafening. We also had some visitors join us from Outreach TE who played bingo with us.

As the nights start to draw in please be careful when out at night, carry a torch and leave a light on in the house if out for any length of time. Remember that the clocks go back at the end of October so be extra vigilant.

Remember too that, if anyone would like to join us, we are here in the Village Hall 1.30pm - 4.30pm every Friday,. There is no age limit just come along.

That's all for now

Take care,

**Regards Yvonne**

### Samphire Hoe Visit 27th August

On Thursday Erin, Willow and I visited the new Educational Centre at Samphire Hoe. We first went with the 'Bug Man' and got to hold a moth, butterfly, cockroach and a millipede which crawled across our hands.

Then we went to the beach and collected shells and walked along the walkway and got splashed by waves. After that we went to the lighthouse and had lunch. It rained

hard while we were there but when it finished we went back to the Centre and had an ice cream.

A hero of the Catholic movement of the Church of England, September 9th was the day set aside in our liturgical calendar to remember with thanksgiving Fr. Charles Lowder. In the 1850's Fr. Lowder dedicated himself to ministering among the 'poorest of the poor' who existed in the squalor of London's East End slums. Priests like him suffered much persecution from those who objected to their 'high church' ritual practices but they brought a colour to their worship which, together with devotion to the poor, brought many thousands to the Christian faith. Light shone in the bleakness of 'grey lives'.

September 9th was also the day Her Majesty the Queen, having all those 63 years ago dedicated her life "whether it be long or short" to the service of her people became the longest serving British monarch. Some from both villages will remember Marian Middlebrook who, now in her mid 90's, resides in a nursing home in Dover. In many ways Marian's life was a 'dedicated life' and many experienced her support and care when they most needed it. Some years ago it was my privilege to be Marian's companion when, in recognition of her work for the community, she

was among those in Canterbury Cathedral to be presented by the Queen with a Maundy Purse. As, to a fanfare, the small figure of Her Majesty entered the Cathedral, it was as if the sun came out. Presenting the many purses she carefully ensured she spent a little more time with those confined to wheelchairs, and it was clear that many of their eyes had 'filled up!' I discreetly blessed the Queen as she left, passing close by.

When this beautiful world so often seems dark and broken, always there are those who bring a special gift and, yes, even a tragic small Syrian boy we cannot forget laying in the arms of a Turkish policeman brought the light of a change of heart among millions. How can we not remember the words of the Son who gave his dedicated life on the Cross and pray for their fulfilment? '.....for the kingdom of heaven belongs to such as these' (Matthew 19:14)

PS. As I write, Gift Day donations are still arriving and I do not have a total, but thank you so much for your generous response and the kind warmth which made a grey day rather special. Thanks again to the Youth Club for the contents of their swear box. Down on last year but made up with a kind donation!

*The Shop in the Church will be closed for the time being, though an assortment of hand crafted greeting cards will continue to be available when the church is open.*

## **Friends of Temple Ewell Church**

### **Repairs to the Church Building**

We have just started a Friends Association and I can report on how the Friends will assist in funding repair work at the Church in a small way.

Inside the Church, at the moment, there is scaffolding in the Tower enclave. It has been put there to make a much needed inspection. Next to the Tower there is more inside scaffolding to enable the nearby walls to be treated and re-painted.

We welcome new Friends to join us. Funds and help raised by us are used solely to preserve our beautiful village Church. They are not used for religious purposes.

I sincerely hope that you can be persuaded to join us.

## Sunday Club

We so enjoyed our Teddy Jump from the tower in the church and Fr. Paul was a terrific 'Jump Master'. Eighteen teddies received a certificate.

We enjoyed a lovely pork in cider dinner, Eton mess and a glass of wine or two.

Twenty three of us had a nice afternoon and raised £94 for our lovely village church in the process.

This is the third lunch there has been, each time any monies raised goes to charity.

Temple Ewell School Maths Project & Tiddlers have benefited. The next lunch will be in January.

Keep an eye out for the date in the Newsletter.

## HOW WISE AM I?

Albert Einstein is reputed to have said " The difference between stupidity and genius is that genius has its limits." I have found myself walking down the street and saying "what a fool I am!" and "How could I have done such a thing," as something of my past flashes through my mind.

We are supposed to acquire wisdom with age but I will need to live a lot longer yet if this is to be achieved. The saying that "There is no fool like an old fool!" also comes to mind. The picture of an absent minded professor amply illustrates the difference between knowledge and wisdom. Some very learned men have made stupid and unwise decisions. The papers are full of examples.

The wisest man is claimed by The Bible to be King Solomon who was given great wisdom by God. Initially he used it well. Many of you will know the story of his deciding which woman was the actual mother of the baby which both were claiming. With the passage of time his wisdom deserted him when his passion for women became his main concern.

True wisdom always comes from on high and when Jesus Christ came along it was stated that "one greater than Solomon is here."

The Bible says "The wisdom that comes from heaven is first of all pure, then peace-loving, considerate, submissive, full of mercy and good fruit, impartial and sincere."

**From the Dover Express and East Kent News, Friday 19 September, 1884. Price 1d.**

Alfred Hopper, landlord of the "Donkey Inn," Temple Ewell, applied for a license to sell spirits. In answer to Mr. Mercer he said he paid £18 a year as rent for house he was landlord for; it had five rooms on the ground floor, one recently built, and four on the 2nd floor. His business was increasing and he had lodgers in the summer time who came down from London; also a great many people came to his place to play bowls of an evening, and if any of them wanted spirits he had to fetch some at the "George and Dragon." He thought there was more demand for them now as the inhabitants had increased since he last applied for his license, and numbered now 600 inhabitants. There were houses. He had applications for spirits on an average five or six times daily. He had a bowling green and parties who came to play, and had to go to the "George and Dragon" if they wanted.

In reply to Mr. Mowll the applicant said he applied for his license last year and then was refused; there had been no new houses built nearer his, than the "George and Dragon" since then. Mr. Martin Mowll who appeared on behalf of the landlady of the "George and Dragon," contended that there had been no cause why the Bench should reverse the decision of the previous years. The Bench refused to grant the application and said they hoped it would not be brought again.

**From the Dover Express and East Kent News, Friday 29 May, 1885. Price 1d.**

.....Mr. Martyn Mowll on behalf of the owner of a neighbouring house opposed the application. The Magistrates decided to refuse the application.

**From the Dover Express and East Kent News, Friday 17 September, 1886. 1d.**

Mr. Vernon Knocker applied on behalf of Messrs. Beer and Co, of Canterbury, for a spirit license for the "Donkey" at Ewell. He stated that Alfred Hopper had been the tenant for a good many years, and the house had been properly conducted. There were about 600 inhabitants of Ewell, and the landlord of the "Donkey" had several times been asked for spirits. He had about three-quarters of an acre of ground adjoining the house, which was used as a bowling green, the only one in the village. He (Mr. Knocker) had a memorial signed by about twenty five residents in the village or close by, in favour of the license. For the application he called the following witnesses:- George Andrews proved serving the copies of the notice of the application on the Superintendent of Police and Overseers.

Mr. Alfred Hopper said: I posted a copy of the notice produced on the Church doors and on the house on the three last Sundays in August. I am the tenant of the house and have been in occupation five years. The house is rented at £16 10s. I produce the memorial, which is signed by the parties named. The "George and Dragon" is about 200 yards away. Attached to my home is a bowling green, the only one in the village. During the summer I have visitors staying at my house. They require something more than beer. I have had constant applicants for spirits.

By Mr. Mowll: There have been no new houses erected near my house since last year. Mr. Martyn Mowll appeared to oppose the license and contended that it was not required, the "George and Dragon," which was a fully licensed house, being near by. The Bench declined to grant the application and stated they were of the same opinion as last year, when the same application was made.

# HAPPY HALLOWEEN

'Tis now the very witching time of night,  
When churchyards yawn and hell itself breathes out  
Contagion to this world.

William Shakespeare

**At first cock-crow the ghosts must go  
Back to their quiet graves below.**

Theodosia Garrison

From ghoulies and ghosties  
And long-leggedy beasties  
And things that go bump in the night,  
Good Lord, deliver us!

Scottish Saying

When witches go riding,  
and black cats are seen,  
the moon laughs and whispers,  
'tis near Halloween.

Author Unknown

**Bring forth the raisins and the nuts-  
Tonight All-Hallows' Spectre struts  
Along the moonlit way.**

John Kendrick Bangs

'Tis the night — the night  
Of the grave's delight,  
And the warlocks are at their play;  
Ye think that without  
The wild winds shout,  
But no, it is they — it is they.

The following is an email I received from KCC in response to my enquiry about broadband speeds:

*"Thank you for your email concerning broadband speeds in Lydden. I am sure you are aware of our website where we have published the basic information relating to Kent and Medway on our current contract with BT. [www.kent.gov.uk/broadband](http://www.kent.gov.uk/broadband). The key issues in Lydden are split between Shepherdswell Cabinet 7 (KCC/BDUK publicly funded) and Archers Court Cabinet 10 (BT commercially funded). The Shepherdswell Cabinet is now live (it was released for customer service on 24th June 2015). The BT commercial roll-out covering Archers Court 10 is complete, but the bulk of the properties in Lydden served by this Cabinet are too distant from the Cabinet to be offered a fibre-based service. This includes most of the properties in the specific roads you mention. They are all in scope for 2Mbps standard service provided by the KCC/BDUK programme by the end of 2015.*

*We understand that it is very frustrating for those who are not getting superfast broadband under the current project. As a result, we have been successful in seeking and obtaining additional funding to further extend the reach of superfast services and are working with BDUK on a new UK-wide programme to extend the coverage of the current contract to bring superfast broadband to 95% of premises in Kent and Medway. We are currently working through the detailed deployment of the new contract and once we have determined the optimum coverage for the County, we will re-publish our mapping and update our website with the new information. We expect this to be in September 2015 once we have carried out a thorough audit and can be confident that the extended roll-out is sensible and brings as much Superfast broadband to the County as possible.*

*For Lydden, we have asked that the whole of the village currently suffering from long line lengths is included in our next contract and that a sensible solution is provided to enable the whole village to benefit. We expect this to be included in our contract (due to start construction in January next year - and run to the late summer of 2018) and as soon as we have the detail available to publish we will do so."*

I am particularly encouraged that both Villages will now be receiving special focus/attention regarding the roll out to alleviate distance issues with extra funding plans due September etc. I recently submitted an article to the local press which has helped bring this issue to the fore at KCC. A copy was also tweeted at @Lydden&TempleE .

Best wishes to all, Mark Rose

We enjoyed a lovely meal at our September meeting when we celebrated 100 years of the W.I.

We were very interested to hear from two of our members about their experiences when they joined the W.I. many years ago. Amongst our guests was our chairman Marion and our advisor Dorothy. At the end of the meeting each member was given a present to commemorate this special year.

Dear Readers

I would just like to say how lovely the new parish council noticeboards look outside the shop, at the allotments and in particular, the one at Dragon Wood. It was very interesting to read about the flora and fauna in this area and I'm sure villagers and visitors will benefit from it.

Congratulations also to Mrs Miles, Mr Newington and Mrs Holness for their awards for their loyal and committed service to Temple Ewell, they are very well deserved.

Best wishes,  
Mrs Sarah Chivers  
Church Hill

Dear Readers

I have had an enquiry as to who is responsible for administering the Facebook page for the Village Hall. It seems this was not instigated by the Committee and they are concerned as the contact number on there is not the correct one.

Can anyone help?

Thanks  
Editor

# Temple Ewell Parish Council

A new oak village notice board has been commissioned by the Parish Council, and recently installed next to the post office. The right hand section of the notice board will be used by the Parish Council to display notices of agendas, minutes of meetings and other council business. The left hand section is for events and advertisements. Two thirds of the funding has come from grants, the remaining third from Parish Council reserves.

Additionally an oak interpretation board has also been installed at the entrance of Dragon Wood. Until now there has been nothing to explain the wood's significance, both for its history and as a nature reserve. The installation of our new interpretation board will enhance the experience of visitors. A lot of consideration was taken to ensure that the graphics included not just the wood but also monumental buildings that sit in the heart of the village.

The Parish Council decided some time ago to seek the dedication of the area of land known as Dragon Wood under the (Queen Elizabeth II Fields Challenge) to secure it in public ownership in perpetuity.

The two old notice boards have been recycled and are now situated on the upper and lower allotments.

The full Parish Council meets on the last Tuesday of the month (excluding August and December) at 7.15pm at the Temple Ewell Baptist Church Hall on the corner of the High Street and London Road. Parishioners are encouraged to report any incidents within the village to PCSO May on 0777 222 6209 or to go to the PCSO's monthly surgery. For immediate help contact Dover Police on 01304 240055 or dial 999. Parishioners are most welcome to attend and contribute to meetings.

The agenda and minutes are displayed on the Parish Council notice board by Southdown Stores and on the Council website.

# WELCOME TO DRAGON WOOD

Dragon Wood was formerly part of the grounds of the George and Dragon public house which was acquired by the Parish Council upon its sale. Since that time the woodland has been managed on behalf of the Parish Council by a group of local volunteers in a community spirit. The woodland floor is predominantly made up of Cow Parsley and Anemones.

Speckled Wood butterflies can be seen in areas of dappled shade and, in 2014, a White Admiral was seen on the wood margins. Slow Worms and Common Lizards have also been spotted on occasions.

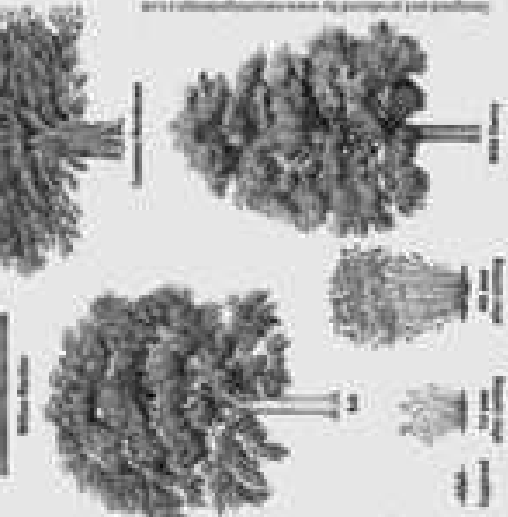

Common wood lizards have been seen basking in the sun on the woodland floor.

A woodland management plan is being developed for the wood which will be completed by the end of 2014 and will include a list of trees to be planted.

The area consists mainly of mixed deciduous woodland with large specimen trees - Ash, Wild Cherry and Field Maple - with an understory of Hazel.

Other species have been added over the course of time including Hornbeam and Small Leaved Lime. As part of the coppicing regime the prunings are used to make dead hedges which are beneficial to insects and fungi and, hence, insectivorous birds such as Black Cap, Chiffchaff, Willow Warbler and Green Spotted Woodpecker all of which have been seen in the wood.

# Kearsney Parks Project Update

After a busy summer, we have lots to share with you – we are planning consultation sessions on the final restoration and improvements plans, health walk training is taking place and there is some emergency work happening in the parks.

## **Public Consultation**

Our conservation plan is ready, final designs for the restoration and improvement works are almost complete and a range of activities have been planned to help people make the most of the parks. Please come along and let us know what you think about the plans:

Monday 5 Oct - 5pm to 7pm at St Marys Parish Centre, Dieu Stone Lane, Dover  
Tuesday 6 Oct - 9am to 12 noon in Kearsney Abbey  
Thursday 8 Oct - 2pm to 5pm in Russell Gardens  
Saturday 10 Oct - 10am to 1pm in Kearsney Abbey

All the sessions will have the same information and you can drop in at any time. We will also put all the plans on our website and will send out a link shortly. This will be the last chance to comment on the plans before they are submitted to our funders, so please come along and discuss the plans with the project team.

## **Health Walk training**

Are you interested in leading a health walk in Kearsney Abbey and Russell Gardens? East Kent Health Walks are holding a walk leader training day on Wednesday 14 October in Dover. For more information and to sign up please email their volunteer coordinator, Martyn Jordan, on [martyn.jordan@kentcht.nhs.uk](mailto:martyn.jordan@kentcht.nhs.uk)

## **Emergency works**

We have been carrying out some rather noisy emergency works in Kearsney Abbey recently – we had to deal with a fallen tree near the lake and needed to replace the café doors. The work should be complete shortly – we're sorry for any inconvenience or disruption this causes.

We look forward to seeing you during the month, but if you have any questions in the meantime please get in touch.

# Rounders Competition

The first Temple Ewell Rounders Competition took place in August after rain stopped play on the original date planned.

Nine teams battled it out with the victorious winners being the Baldwinners who narrowly beat the Church Hillbillies.

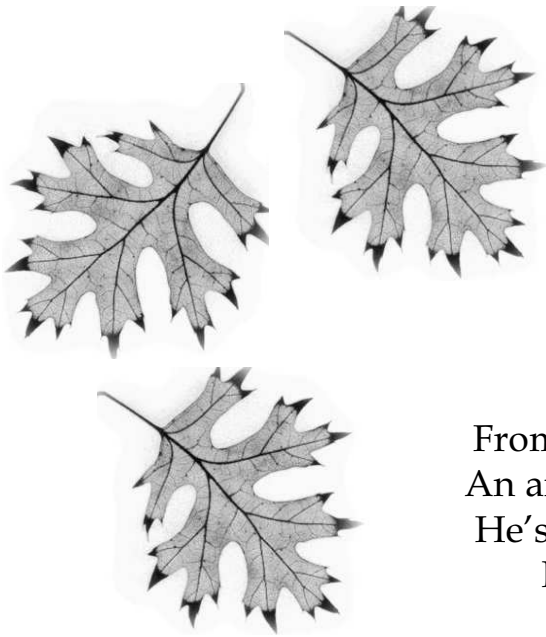

The trophy will be displayed at The Fox and there is plenty of space for future winners.

Thanks must go to the Youth Club for providing the Tuck Shop, to John the Candyfloss Man, Jenny Miles on hotdogs and Alison Whorton for being the referee.

£77 was raised for our lovely village church and a pleasant afternoon was had by all.

I have no time to stand and stare,  
as has already been written.  
'Cos I'm on my way to work, you see  
to be at my desk an' sittin'!

But oh, the sights and sounds I witnessed  
today,

The leaves they are a'changing.  
A British autumn at its very best,  
a pond here, its occupants there.  
Swans, ducks, their feather colours ranging.

From white to black, dark blue and even brown.  
An artist's palette, God's brush has been at work.  
He's been a very busy man all through the year.  
No time to stand, to stare, to even shirk.

But hey, my eyes should be on the road,  
my hands steady at the wheel.  
I really shouldn't be looking at the beautiful trees  
Itching to stop to pick up the lovely leaves!

When on a working day, can I find time to stop, to stare?  
At the end of a working week?  
By then, I feel too tired to even stand,  
all I can do is sit down and glare!!
