Hello Everyone

Two special village events to look forward to this month:

The Queen's Birthday celebration on SUNDAY 12th June (apologies for the error in last month's advert) and of course the, always popular, **School Annual Fete** on Saturday 25th. Let's hope for some lovely summer weather to help these events go with a swing.

We hope lots of you will also come along to our **Newsletter Quiz Night** on **4th June** at 7.30. It's £4 per person and tickets can be obtained from me on 826386 or Jenny on 825011. Our fundraisers help us to keep your Newsletter going, so your support is very gratefully received.

Editor: Jeanette Potts
Email: tenews@uwclub.net Tel: 01304 826386
Address: 13 Chilton Way River CT17 0QB

We welcome all contributions to the content of the Newsletter, but please remember that the deadline date is 8pm on the 15th of the month.

NOTE: You should be aware that articles are also published on the website www.tenews.co.uk - please inform us if you want any part of your article withheld from that particular medium.

A copy of every Newsletter is posted on the website, including the village diary. Make sure you log on to www.tenews.co.uk

PCSO GRETEL MAY

I can be contacted on **07772 226209** for any issues that you'd like to discuss with me. My next surgery will be at the Coffee Morning on 2nd June. **Gretel.**

7.30 prompt start**

**£4 each
Tables of up to 8**

**Bring your own
drinks and nibbles**

Branching Out

Our weekend away in Camber was great! We went swimming, on the go karts and on the bumper cars. We had two competitions - pool and crazy golf. Ben won the golf trophy and Richard won the pool trophy. We went to Hastings for the day and went on the train and the cliff top lift. We also went to the fair and on the swan pedalo boats. Luke said his legs felt like jelly afterwards!

We had such a good time that Marilyn booked for us to go again in October so we will be busy fundraising! The entertainment was great and we all enjoyed the arcades.

Tiffany and Richard have started work experience for one day a week. Tiffany goes to Riverside Day Centre and Richard works with the East Kent Steam Trains in Shepherdswell. Our allotment is starting to look good; our onions, potatoes, peas and beans are all growing well. Ben's strawberries are starting to ripen and our tomato and cucumber plants are looking good. We are continuing to look after the plants by the side of the road as you enter the village. We have planted honeysuckle which has just started to climb up the sign and the nasturtiums are all coming up.

More news next month.

Richard Grayson

Willows

A big thankyou to everyone who voted for us in the Heart of the Community Awards. We are through to the final 20 and it is now up to a panel of judges to decide on the 5 winners. Fingers crossed! We had a good time at The Fox on May 11th. We played a pool tournament and had chips and a drink. We are off to the Rare Breeds Centre in Woodchurch for the day soon and then later on our outing is to Chessington. We'll let you know how they went next month.

Richard

Youth Club

We meet every Friday 7-9pm in the lower hall. Our numbers are low at the moment but we have two trips planned: Thorpe Park and Joss Bay for a BBQ.

Tiffany

A Song to Remember

Once again the Temple Ewell Players hit the spot! A Song to Remember was a collection of songs and sketches most of which were connected with the two world wars; the first half dealing with World War 1. I thought that the producer and cast succeeded in balancing the comedy with the sadness and poignancy of the times. All the old favourites were there including 'It's a Long Way to Tipperary', 'Pack Up Your Troubles' etc., all performed excellently by the Players. The 'Blackudder' sketch was played to perfection. The first half finished with a recording of the Last Post which always brings a lump to my throat.

Part two dealt with the Second World War and beyond, including songs like 'The White Cliffs of Dover', 'Don't Sit Under the Apple Tree', 'All The Nice Girls Like a Sailor' and many more. A very lively jitterbug routine was performed by Rachel, Andy, Jon and Karina.

Lily Groombridge, Erin Keohane, Emily Lomas, Lorelei Parker Morley and Isobella Poole, who made up the junior singer/dancer section, deserve a special mention - they were absolutely fantastic.

A section of the show included some audience participation that saw some reluctant gentlemen dragged on stage and sung to by some provocatively dressed young ladies! The whole show was in the genre of The Good Old Days with the part of Compere played by the outstanding Peter Bowley.

The Players are able to field a very good mix of acting, comedic and singing talent and it shows in the quality of their shows. Once again, well done Temple Ewell Players.

Noel Tipper

PS.

As I was leaving I noticed a group of teenagers and older men wearing dirty raincoats waiting at the stage door asking for a young lady called Louise.....really can't think why.....

Sandilands Dental Studio

Quality Private Dentistry

This is a traditional Private Dental Practice looking after patients' needs; we provide a friendly and professional dental service that gives you the smile and health you have always wanted. Our surgery offers the newest innovations in dentistry, so you are guaranteed the very best treatment. This Practice is owned personally by the Dentist ensuring continuity of care.

We are pleased to announce that we now offer our patients the option of discreet orthodontics for adults. Six Month Smiles® utilises specialised clear cosmetic braces to gently straighten and align teeth in an average time of just six months. We also offer the latest non-invasive beauty treatment, anti-wrinkle and fillers.

Here at Sandilands we strive to offer the best dental experience. We believe in making a visit to the dentist an enjoyable one, by providing a relaxing and friendly environment with all the latest technology. We are Dover's best kept secret.

Easy access car park outside.

The Gardeners' Summer Show is on Saturday the 16th July at 2pm. We hope it will be a fine day with plenty of entries from your good selves. With a record breaking Spring Show, we are hoping the Summer Show will be the same.

If you were thinking about entering a class for the first time and are not sure what to do please contact me or any member of the Committee and we will be very willing to help. There will be a sales table with some dahlias and fuchsias. The outing to Hever Castle on the 3rd July should be paid for by the 5th of June to John Philpott.

Regards Trevor

Temple Ewell W.I.

At our May meeting we discussed two resolutions which will be voted on at our AGM in Brighton in June.

Thelma, one of our members, gave us a very informative talk about patchwork and quilting. She showed us many samples of her beautiful work and told us the history behind the patterns and designs which she had included in her work - a very enjoyable talk by a very talented lady.

Our next meeting is on 9th June when we will be painting on tiles.

Temple Ewell Players

We have just completed a successful run of our Spring production 'A Song to Remember' directed by Ann Hogban, Peter Bowely and Cindy Tuson. The show was a medley of songs, sketches and dances from the First and Second World Wars, which was both entertaining and moving. A big thank you to the cast and crew that put the show together; it was very memorable and great fun to do! The audiences were fantastic, enthusiastically singing along and fully supporting us every night. Without them it wouldn't have been possible.

Looking ever forward our Autumn production which will be two one act plays, 'Blue Suede Blues' and 'World Premiere'. This will be Heather MacDonald's directing debut. Details on the show and how to get tickets will be in the Newsletter after the summer.

Rachel

The Queen's 90th Birthday Celebrations

As part of Temple Ewell's celebrations for Her Majesty's 90th birthday the village joined the nation in lighting the beacon on King George V Playing Field on Thursday 21 April.

Parish Council chairman Colin Smithern lit the Beacon which was extremely well stocked with wood for the occasion! Mr Marsden et al had clearly done an excellent job in ensuring that our Beacon glowed proudly into the early hours.

About forty villagers were there to witness the event and enthusiastically joined in a rendition of 'Happy Birthday'!

We look forward to further celebrations on Sunday 12th June. Hope to see you there!

Jenny Olpin

Friday Club

A quiet time this month, although we held our Annual Dinner at The Fox on the 22nd April with 24 members attending. As usual a lovely carvery roast was prepared and served by Alyson and Steve with Tracy in attendance. Many thanks again for a splendid meal.

Some of the Branching Out members join us for a game of Bingo now and again - so nice that they interact with us and it's a pleasure to have them come along.

We are now preparing for our summer activities so watch this space.

If you would like to come along, we are here on Friday from 1.30 to 4.30pm and would welcome you with a nice cup of tea. We are a friendly lot so come and see what you have been missing. There is no age limit, everyone is welcome.

Until next time, take care

Yvonne

Parish Church of St Peter & St Paul

June services – to which we warmly welcome you.

At Temple Ewell our Sunday Club meets at 10.30am during term time as advised.

Sunday 5th	Parish Eucharist 10.30am
Sunday 12th	Parish Eucharist 10.30am
Sunday 19th	Parish Eucharist 10.30am
Saturday 25th	Marriage of Timothy Kennett and Kayleigh Wakefield 1pm
Sunday 26th	Patronal Festival Eucharist 10.30am Special Preacher Celebration to follow

**For times of midweek services, please refer to the Church Notice Board
<https://www.facebook.com/templewellpepaul>**

According to past research for the detailed church guide, our Parish Church at Temple Ewell once had a peal of three bells, all of which dated from the 17th century. For weddings and festive occasions it was a local custom to strike the bells with a hammer in order to produce more noise and it is suggested that this resulted in the damage and removal of at least one bell. However, as the one bell that remains, which is 30ins in diameter, bears the inscription 'Joseph Hatch made me in 1603', it is just within the reign of Elizabeth I.

As each of our communities of Lydden and Temple Ewell celebrate the official 90th birthday of Her Majesty the Queen on 12th June, I anticipate there could be some coming together for the Lighting of the Beacon at 8.00 p.m. on King George V Playing Field. Whilst it is sometimes unpredictable, it is hoped that the lighting can be preceded by the tolling 90 times, as a mark of special thanksgiving for Elizabeth II, of Joseph Hatch's Elizabethan bell.

In her 2014 Christmas speech to the nation, Her Majesty underlined the importance of her Christian faith. Prepared to 'do God' she said 'For me the life of Jesus Christ, the Prince of Peace.....is an inspiration and anchor in my life. A role model of reconciliation and forgiveness, he stretched out his hands in love, acceptance and healing.

Christ's example has taught me to seek to respect and value all people, of whatever faith and none'.

Heavenly Father,
as we celebrate the ninetieth birthday of Her Majesty the Queen,
receive our heartfelt thanks
for all that you have given her in these ninety years
and for all that she has given to her people.
Continue, we pray, your loving purposes in her,
and as you gather us together in celebration,
unite us also in love and service to one another;
through Jesus Christ our Lord.

Fr. Paul

District Councillor

07733 080861
cllr-mark.rose@dover.gov.uk
@LyddenTempleE
mark.ros8 (by appointment)

In writing:
Councillor Mark Rose
Dover District Council Offices
White Cliffs Business Park, Dover CT16 3PJ

For the wildlife conservationist or land managers I have over 500g stock of genuine UK soil and chalk based various wild flower seeds which I wish to distribute between both villages. Please get in touch to suggest planting spots in Temple Ewell, to help encourage wild flower areas and bee habitat/activity. I also have a small amount of seeds for pond and water based wild flowers. I would like to do this in May, for July/August flowering.

The main issue to report, is that many large holes in the Lydden roads have been repaired for Lydden, following my reports to Highways. I have sent a copy of the overall report from KCC Highways to the Parish Council. You can see some of these holes were 2' x 1.5' feet on the Twitter online. I also have confirmation from Dover District Council that the renewal of all bus stop road signage has been scheduled, after my requests were submitted.

I also asked KCC for a total resurface of London and Canterbury roads as there are many trenches in both road surfaces, due to over weight LGV/HGV traffic impacting over many years. This has currently been declined by them

On a positive note, signs at the top of Lydden Hill have been repaired and I have emailed KCC to chase other issues raised regarding this area. Several visits a month have shown a lowering of instances of illegal parked EU HGV/LGV vehicles. I am working with Police, residents and local businesses on reporting obstructions in this area at every opportunity.

KCC will be replacing the missing hanging baskets they simply took away from the London Road Bus stop area as KCC cannot locate the missing baskets and they did not inform anyone at the Parish before removal. This expensive basket was being kindly maintained by the Parish clerk!

I would like to assure anyone that any other DDC Village issues reported to me are being dealt with, including road erosion/flooding. Please feel free to invite me to attend meetings or discuss any DDC concerns you may have, so I can engage and respond.

Thanking you all.

A copy of my report to the Annual Parish Meeting follows:

"I am happy to report for the last annual period that it has been a pleasure to serve and represent the Temple Ewell Parish as your elected District Councillor. In my first year as your councillor it has been very rewarding to have been able to resolve many important issues, even more rewarding are the letters, emails and telephone calls stating sincere thanks for my help. Thank you for working with myself to help resolve issues important to you all, no matter how large or small. A special thanks must go to the Temple Ewell Parish Council, who have been supportive and informative on many important issues. I look forward to continuing the good work with you all to keep your local area being managed and protected as you would wish.

I have made sure during this previous annual period that all parish residents have received my email, mobile phone and skype address clearly distributed. Any Parish resident can also request a home/business visit if needed.

I have contributed much time to look at local neglect and safety, as it was made very clear after endlessly walking around during the 2015 election campaign, talking and engaging with many local residents, hearing the series of local issues repeatedly coming up. Many large potholes have been reported and fixed, with many others still to be done after KCC highways reports have been received directly back to my listed report of faults. Dover District Council (DDC) have recently promised to repaint all damaged and erased bus stop road signage on both London and Canterbury Roads very shortly.

I hope you all can see efforts to start the process of tidying up both village parishes, this includes all the above and ability to have Lorries repeatedly removed, despite some views stating I should not bother, this was not an option to me. I am delighted the Police and residents are both now regularly helping myself with this endless illegal parking reporting and sending me reports and pictures. I can see it has made a difference, but I intend to still do more for the future for you all, we should do all we can to protect rural village life, and I know we all have the support of Dover District Council (DDC) to do so.

I am happy to see DDC have cropped and litter cleared both Whitfield Hill and Lydden hill after much reporting and welcome DDC agreeing the very small £5 rise in Council Tax on Band C for the next year. DDC has also declared and agreed to freeze all Councillor expenses for a third year running, despite being the lowest in Kent. This all reflects a better managed and productive District Council. We have all seen the huge investment coming to Dover during this last year, by next year we shall all have a long awaited St James shopping centre in use and completed and the new rail and road infrastructure rebuilt with much larger capacity car parking in place. None of the above has created any DDC council tax rise, despite adding much community asset value to the District of Dover.

The recent summer strikes in France and additional recent migrant chaos and issues have added urgently to the rethinking and investing in Dover and Calais. All of which will benefit Dover security, Dover roads being managed with the Chancellor declaring in his budget this year for £250m to be invested to create a 4K Stanford lorry park and get rid of future Operation stack and Manston.

Finally, I note the above period and activity has seen many house prices in Dover rise by at least 20%-25%, the highest house price leap in the whole of Kent during 2015-2106, reflecting all the above DDC investment and activity over the last period.”

Temple Ewell Baptist Church

(Part of the Baptist Family in Dover)

DECISIONS AND CONSEQUENCES

To leave or stay in the European Union is the big political decision of our generation. The decision is far reaching and irreversible. One would like to think that our choice is made on the facts of the case and not on others' opinions, half truths, smoke screens or scare stories. If only it was easier to sort out facts from supposition.

There are always big decisions to be made whether they are political, personal, family matters or religious choices. It is always wise to decide on the basis of careful evaluation and not by neglect or default.

Jesus' disciples were confronted by choice when they went with Jesus to Caesarea Philippi. This was the place where people worshipped the god Pan who was half goat and half man. Here infants were sacrificed to this god. Here Jesus asked who people thought that he was. There were various responses. Then Jesus asked who they thought that he was. Simon Peter then gave that great affirmation of faith " You are the Christ, the son of the living God". (St. Matthew chapter 16). What an amazing consequence this had for his life!

Future Events

MESSY CHURCH on on Sunday 12th June 4 - 6pm. This is for children and adults and comprises about one hour of craft activities, 10 minute Bible based talk, a full cooked meal. Our theme will be "The Queen who risked her life to serve God".

CHURCH ANNIVERSARY on Saturday 2nd July at 6.00pm. All are welcome to a meal followed by a talk.

Our activities continue as usual:

Sunday Family Service: 10.30am

Monday Keep Fit: 7.30pm

Wednesday Bible Study and Prayer: 7pm

Bookings for the church hall should be made through John Woodland
(telephone 01304 822982).

***If we can help in any way please do not hesitate to contact June on 822982,
Jack on 825150 or our minister Ewart Graham on 375823.***

Hospice Cycle Ride

It was that time of year again when me and my fellow cyclists, David Gavin and Chris Barnet, joined hundreds of riders in raising funds for the Pilgrims Hospices. The weather was perfect as we took the 48 mile route from Canterbury to Margate and back again. We were two riders down this year but they were definitely with us in spirit and hopefully will be with us again next year.

Apart from finishing, the highlight of the ride was seeing the stunning bluebell woods that we passed riding through Preston to the outskirts of Canterbury. For those ladies amongst you there is a Diva Ride (25 and 50 mile) organised for 12th June. Do look on the Pilgrims Hospice web site for more details. Hope to see you there??

Jenny Olpin

Numbers have increased recently and we're taking up to nine children a week down to Acorns class to get them used to what will be their classroom in September. The school children are so nice to the little ones, it's really good to

see the caring ethos of Temple Ewell School in action.

We had a trip to Kearsney Abbey, but unfortunately it was the one day in a sea of lovely days when it rained. The children did a Springtime Scavenger Hunt and still had a lolly even if the sun didn't shine.

We're off on our annual trip soon, this year we're going to Wildwood (photos next month). We'll also be supporting the School Fete with our stall; come along and see us. There'll be an area for babies to sit, activities for younger children and a warm welcome. It's on Saturday 25th June 11am -2pm!

Tiddlers is on every Tuesday term time 9-11am in the Millenium Hall, term time only.

Temple Ewell Parish Council

At the start of the Annual Parish Meeting held on 26 April 2016 there was a wide-ranging discussion of the traffic problems afflicting the Conservation Area heart of the village along Lower Road and High Street. The Chairman of the Parish Council, Mr Colin Smithen, vacated the Chair, as he had a personal interest in the matter under discussion, and the Vice-Chairman, Mr Glen Mousley, chaired the meeting.

At the outset, Mr Smithen outlined the problems with traffic along Lower Road and High Street, and stressed that, contrary to rumours circulating in the village and beyond, the aim of the Parish Council was not to do away with a bus service that was popular with residents of Temple Ewell as well as River and Lydden. Rather, the object was to achieve some relief from the traffic problems currently afflicting this route through the village. Mention was made of instances of traffic having to reverse in order to allow large vehicles to pass and of damage caused to property and the road surface as well as danger to pedestrians and especially school children. Over much of the length of the road there is no footway and it is the primary route for parents and children walking to school.

It was the view of the Parish Council that the current problems had been made far worse following the introduction of bus service 15B from River to Canterbury via Temple Ewell and Lydden. At the present time there are 52 scheduled bus movements daily through the village, 38 of which are by Service 15B and large buses (often double-deckers) are used. The Parish Council have had meetings with Stagecoach, the bus operators, in an effort to reduce the frequency of the service, to secure the use of smaller buses or to arrange timetable amendments so that buses do not meet head to head along the narrow stretch of the road through the village but all of these have come to nothing. The attitude of Stagecoach appears to be that Service 15B is legal and is profitable so will not be changed whatever its impact on the village. The Parish Council felt particularly aggrieved that the only people who were consulted about the introduction of the service were River Parish Council and the District Councillor for River. No reference was made to Temple Ewell representatives who could, perhaps, have foreseen the current problems and negotiated some improvements before the service was introduced.

We have also had meetings with representatives of the KCC who are very sympathetic about the volume and type of traffic using Lower Road/High Street but have no funds to implement any road improvements that would ease the problem. Basically, it was left to the village to come up with and fund a solution that is acceptable to all concerned. Double yellow lines had been proposed along the length of Lower Road in order to leave a clear route for traffic but this was opposed by the Parish Council as there is little on-street parking in the village for use by residents and visitors. Furthermore, the lines would be operative at all times when the worst of the problem arises at the ends of the school day when parents are picking up and

collecting children. The favoured solution of the Parish Council is a one-way traffic system in the length of Lower Road/High Street between the Alkham Valley Road and Mill Street with the traffic flowing from Mill Street towards Kearsney Abbey. This would have the additional advantage of preventing the current rat-run of traffic along the route at the end of the working day and would allow a free flow of traffic from the Alkham Valley Road onto London Road near to the Railway Bell. This scheme had been proposed by the KCC 7 or 8 years ago but dropped on cost grounds.

Mr Smithen had come up with an alternative scheme which, with a spirit of compromise on all sides, would still allow service 15B to operate. This would involve the use of small buses running from River to Lydden and back to River via the Crabble junction. In this way, residents of Temple Ewell, River and Lydden would be able to travel to the doctors' surgery in Lydden and the pharmacy in River without too much inconvenience. The number of buses using Lower Road/High Street would be almost halved at a stroke as they would return to River via the Crabble junction and Stagecoach should still have a viable service. One downside of the proposal was the fact that those wishing to travel on to Canterbury would need to transfer to Service 15 in Temple Ewell or Lydden.

Having outlined the current situation and the feelings of the Parish Council the meeting was thrown open for public comment and discussion. It immediately became clear that although those present accepted that there was a problem, a number felt that this was due to use of the route by large vehicles other than buses and it was suggested that more heavy lorries used the route. The Parish Council was proposing to arrange a traffic census in order to clarify the volumes and type of traffic.

A number of points were raised by those present including:

- the likely impact of the new development at Whitfield which could significantly increase traffic flows

- the impact of Operation Dover Tap on the volume of traffic using the Alkham Valley Road and Temple Ewell rather than the A20 route into Dover

- the introduction of traffic lights at the junction of the Alkham Valley Road with London Road in order to improve traffic flows and discourage use of the rat-run through the village

- the introduction of a 20mph speed limit through the village with speed bumps

the introduction of a 'walking bus' to improve the safety of children walking to school and parents bringing children to school by car being asked to park considerately and for as little time as possible

the provision of a footway on one side over the entire length of Lower Road/High Street

A resident also voiced fears concerning the stability of the river bank in places along Lower Road where voids had appeared under the road surface.

Following a full discussion of all points of view the Chairman undertook to place all of the matters before the Parish Council at its next meeting when the way forward would be considered. He also undertook to keep parishioners informed of progress in resolving the problem and to call further public meetings as necessary.

The full Parish Council meets on the last Tuesday of the month (excluding August and December) at 7.15pm at the Temple Ewell Baptist Church Hall on the corner of the High Street and London Road.

Parishioners are encouraged to report any incidents within the village to PCSO May on 0777 222 6209 or to go to the PCSO's monthly surgery. For immediate help contact Dover Police on 01304 240055 or dial 999. Parishioners are most welcome to attend and contribute to meetings.

The agenda and minutes are displayed on the Parish Council notice board by Southdown Stores and on the Council website. Should you wish to put anything on the notice board please contact either the Clerk or the Chairman.

Please look out for your renewal letter and respond as soon as possible to reserve your space in the Newsletter.

Thank you for your support.

A Brief History of June

June is the sixth month of the year in the Julian and Gregorian calendar and is 30 days long. It is the month that has the most amount of daylight hours of the year in the Northern Hemisphere and shortest amount of daylight hours in the Southern hemisphere.

Many celebrations take place in the month of June, especially marriages. According to one etymology, June is named after the Roman goddess Juno who is the goddess of marriage and a married couple's household. It is considered good luck to get married in this month.

June and May are the only two months that don't start on the same day of the week as any other month. June ends on the same day of the week as March every year.

June's birth flower is the rose or the honeysuckle and the birthstones for June are the pearl, the moonstone, and the Alexandrite, which all symbolize health and longevity.

District Councillor

Kent calls for rethink on pharmacy plans

Kent County Council is calling for the Department of Health to reconsider its plans to change funding of community pharmacies, over fears it could lead to dozens of rural and suburban sites closing.

KCC Cabinet Member for Public Health and Adult Social Care, Graham Gibbens, is writing on behalf of the Council, to express concerns about a current consultation which proposes a six per cent cut.

Council members say it would have a considerable impact on access to pharmaceutical services, in particular those that serve rural villages and to specific members of the population, such as the vulnerable and elderly.

It's believed over a quarter of Kent's 280 pharmacies could be affected adversely by the proposal, leading to reductions in services and even closures. Though I have it on good word, that there will be no pharmacy closures in the Dover West area, though I will monitor the situation.

Graham Gibbens said: "We have numerous suburban communities in Kent served by small pharmacies which could be at risk, as they are dependent on NHS income to remain viable. The pharmacies provide valuable services in these rural areas, often acting as a community hub to the village and preventing social isolation; we are concerned this will be lost.

"We are disappointed by the consultation and its proposals which come at a time when we should be using our pharmacies even more to reduce the burden on GPs and A&Es. We are standing up for rural and isolated residents, along with local pharmacies who are an important community link and business provider therefore we are calling for the plans to be reconsidered."

The Health and Social Care Act 2012 transferred responsibility for the Pharmaceutical Needs Assessment (PNA) from the Primary Care Trusts to the Health and Wellbeing Boards on the 1st April 2013.

The Kent Health and Wellbeing Board undertook a thorough review of all the pharmaceutical services in Kent and published its PNA in 2014. It found that, although overall pharmaceutical service provision in Kent was good, it was felt that the current provision of "standard 40 hour" pharmacies should be maintained especially in rural villages and that the current provision of "100 hour" pharmacies should also be retained.

The Department of Health consultation is also considering a Pharmacy Access scheme and Kent County Council has asked to be involved in this. It is appealing for consultation with all relevant stakeholders, such as the Health & Wellbeing Boards, before any changes are made.

Letters to the Editor

We would like to hear from you. What do you want information on? Need help with something? Want to comment on a local issue? This is the place to do it! Send to the Editor - details on page 3

Dear Readers

Following on from last month's letter about Bill the Greyhound

Within a few days of leaving us, Bill found his forever home with a lovely family. Their lurcher Jess allows Bill to share her sofa and he is thoroughly enjoying having a loving home. He's started dog training to help him out with other breeds and is doing so well, he can go without his muzzle!

His family have said that they chose Bill because of the videos and photos we sent into Kent Greyhound Rescue; this isn't because we're anything special, it's simply because they could see his lovely nature and personality in a home setting.

Fostering a dog is a huge help to them in finding a forever home. Greyhounds have an incredibly gentle nature and are lazy and do not need a lot of exercise.

KGR rescue lurchers, whippets and podencos if greyhounds aren't for you.

The Dogs Trust also runs a fostering scheme; both charities pay vet's bills etc. It's immensely rewarding.

www.kentgreyhoundrescue.com
www.dogstrust.org.uk

We will have another dog over the summer so keep an eye out for the red 'I need a home' bib and come and say hello to our next temporary family member.

Bill and Jess

WHAT MAKES A HOME?

I saw and visited a beautiful house yesterday
One we could all aspire to
Sitting comfortably in dappled sunshine
A tranquil but settled home.

I've seen this type of house before
Shown in all its elegance in magazines
Settled comfortably with all its power
A tranquil organised home.

You feel its enveloping arms drawing you in
The crunch of gravel on the drive
Tapping a beat as you near the door
Happiness, calmness and serenity to surely welcome one
home.

As you leave and take one last glance
At this house we could all aspire to
Sitting comfortably in the noonday sun
A welcome but tranquil home.
