Hello All

I spent a very pleasant evening recently in the company of our lovely local singing star Le'arna Castle and her husband Dom. Along with Jenny Olpin we were discussing the charity concert that Le'arna and her singing partner organised and performed on stage at the London Palladium, to celebrate the 100th birthday of Dame Vera Lyn.

It sounded a wonderful event with lots of stars present. HM the Queen also attended and was reported to have thoroughly enjoyed the show.

A full report with all the details and gossip will follow next month from Jenny, along with lots of photos.

Hope to see you at our Quiz on 10th June - see page 5 for details.

Temple Ewell Players

Thank you to everyone who joined us for our travels along the yellow brick road. We hope you enjoyed the journey as much as we did!

Having done a wonderful job as Munchkins the Junior Players are now even more excited as our next production will be entirely theirs! They will be performing Bugsy Malone in September and anyone of school age who would like to be involved should come along to the village hall on Thursday 1st or Tuesday 6th June at 7pm.

Adults, who may be feeling bored during the summer, are also welcome to come along as there will be plenty of opportunities to help the brave Jon who is directing the show! We are still looking for help generally with scenery and costumes too.

Finally if you'd like to know more about the Players our Annual General Meeting is on Tuesday July 11th in the village hall at 7:30pm. We'd love to see you.

GUESS THE SHOW!

These three pictures are from one of our old shows - did you see it? Do you remember when and what it was? The answers are on page 32.

Temple Ewell Parish Council

Have you always wanted to grow your own fruit and vegetables, make compost, get digging, plant flowers and harvest your own herbs? Would you like to create a garden where you can relax and enjoy the health benefits of working outside in a great community of fellow growers?

There are allotment plots available now for Temple Ewell Residents

For more information please contact our Alloment Manager

Brownies

In the Baptist Church garden we put out some tables with cloths on and planted up our runner beans and sunflower seeds in pots. with compost. It was messy, but fun and we put our names on sticks in the pots. We then went on an Easter egg hunt. Brown Owl had hidden some small eggs outside and inside for us to find. Once we found them we ate them all!

We went to the playing field to finish our Hop, Skip and Jump badge by having a go at hopscotch on the tarmac, where we could just about make out the markings. We threw a ball up to see how many times we could get it through the hoop, then we put a ball on a bat and balanced it as we walked around the playground.

We have made a Spring collage of a tree with flowers on it. We also made a fruit salad by cutting up the fruit and putting it on a plate. It was great as we ate it and then washed up - this was for our Cooks badge.

Bike Club

Temple Ewell Bike Club once again took up the Pilgrim Hospice Challenge. This year though it was different. We were riding in memory of our dear founder member Bob Potts who sadly passed away at the Canterbury Hospice on July 2nd 2016.

The ride itself also changed venue to the University of Kent. From there we, Steve Smith, Jenny Olpin, Steve Barnett and his guest Hannah James (Barnett), set off for Ashford on a 48 mile circuit back to Canterbury. We knew it would be a significant challenge, undulating and with a brisk northerly wind. This was different to our usual (this was probably our 8th Hospice ride) to Margate which is fairly flat by comparison! However, a comfortable seat, a wind up our backs and Bob definitely giving me a helping hand up Stowting Hill (wow!) we eventually arrived back at UKC successful, tired and with a nice sense of achievement.

If anyone wants to donate to this event, as donations are still open, then please contact me. 01304 825011. Also come and join our Sunday morning rides. it's just for fun and we'll help you to get going!

Branching Out

We all went to Thorpe Park to celebrate Ben's 40th birthday and we all had a great time but we got really wet on a 'tidal wave'! We have been away for the weekend to Camber Sands Holiday Park. On the way we stopped in Dymchurch for a cup of tea and then went on to Dungeness where we climbed the 169 steps to the top of the lighthouse. At Camber we went on go-karts, bumper cars, golf and air-hockey.

We had a nice day out in Broadstairs. We went in the arcades and then onto the beach.

We would be blind indeed, living where we are privileged to do, not to be aware of how staggeringly beautiful the world is. Yet, from another angle, sometimes the simplest and smallest gesture of love and kindness can convey a similar message – it's a staggeringly beautiful world.

Nevertheless, sadly in our world we also seem to go from one tragedy to another and indeed within families, and yes, even sometimes within the Church we know there are deep hurts, fears, uncertainties and need. When so much is good and well perhaps God receives little of the thought and thanks he deserves, but when things are not so good we ask, 'Where is he in all this?'..... 'Does he understand?'....Does he care?'

Just a few months ago we recalled that God did not enter this life in great majesty and worldly power, he did so through the incredible power of perfect love. He entered this life in Jesus, born of a young virgin in humble circumstances and in an occupied country. He grew to experience at first hand not only love but what it means to be taken advantage of, to be ridiculed, discriminated against, lied about, to be hated and mistreated. 'Where is God?'.... Does he understand?'....Does he care? In a way no other could, the chosen manner of God's coming to the world in Jesus asks us to have faith that he is among us at the very centre of life and has proved he surely understands and cares because he has willingly experienced and shared our humanity.

During May the Church continued to celebrate the last Sundays of Easter before, at the Ascension, we recalled Christ's return to the Father. These Sundays have a very special message, because they pre-figure how we are to seek his presence in the same way as did his first disciples. Invariably, this was not necessarily through dramatic encounter, but through simple gestures of kindness and care, forgiveness and love – the love which was victorious over everything and which eventually, we pray, shall love us into eternity.

Friday Club

Sunday 23th April will not be forgotten very easily by Percy Cox. Although we at the club celebrated his 80th birthday on 21st, he had no idea that some of us were in on the surprise party given by his family in the village hall. His grandson Steve lead all the family and friends to sing Happy Birthday as a very shocked Percy entered the hall. A memorable week-end for a very unsuspecting Percy.

By the time this reaches you another surprise will have been sprung. That of the Diamond Wedding Anniversary of Mike and Jean Matcham; 60 years married and you only get 7 years for murder.... ha ha. Well done to you both and who said it wouldn't last?

Congratulations to all who have had special celebrations recently.

I have been given a run down on the groups that first started in the Village Hall until the Friday Club was formed, which may be of interest to the readers.

A club first started about 1929. Mrs Morrell, Miss Johnson and the two Miss Kendalls ran a Mothers' Meeting until WW2 in 1939 when it became a canteen for the forces run by Mr and Mrs Fagg. Dances were held in the Village Hall most nights for the forces. Good Companions started when the war ended in 1945 and was run by Mrs Golden, Miss Curtis and Mrs White and this carried on until the Friday Club was formed in 1982 continuing until the present day, making the club 35 years old.

That's all from me for now so until next time, keep smiling.

Yvonne

At our May meeting we discussed at length two resolutions which will be put forward and voted on at our Annual Meeting to be held in Liverpool in June.

After some welcome refreshments and a good chat we enjoyed a lighthearted quiz.

Our next meeting will be on June 8th .

WATER SHORTAGE?

There has been little rainfall in our area during the last few months. Unless things change it looks probable that there will be water restrictions in the coming months. There are already reports of some rivers in this country drying up. This is nothing compared to the water shortage in some parts of the world.

There is one story in the Old Testament which relates to there being no rainfall for about three years and the people were in a desperate condition. Elijah the prophet was kept by God at this time firstly by moving to a wadi which was still flowing. When this dried up he was sent into enemy territory to a widow who had nothing and who was on the point of death. By doing what God directed they were both kept safe in a time of great hardship.

The story as told in 1 Kings chapter 18 illustrates how God makes provision for each one of us even in very difficult times.

We do, of course have to go to the source of supply, where he directs us. We are fortunate in this county, even in a time of water shortage, it never lasts for three years!

Our activities continue as usual:

County Councillor

Kent County Council has been campaigning for a new Lower Thames Crossing to be built for more than 15 years to relieve the congestion and overloading at the existing Dartford Crossing, which with peak flows often exceeding 162,000 movements per day has long exceeded its design capacity of 135,000 vehicles a day.

The Dartford Crossing is closed over 300 times per year for an average of 30 minutes, but it typically takes three to five hours for the roads to return to normal following a closure.

A new crossing will provide much needed network resilience and create a new strategic route from Dover to the Midlands and the North, essential for this international gateway with an average of 10,800 HGV movements per day through the Channel ports, which is growing year on year and is forecast to continue to grow by 5% per year. A new crossing will deliver economic prosperity for Kent, the South East and the wider UK, supporting an estimated 6,000 new jobs and add 12.7 billion to the local economy.

KCC strongly reiterates the necessity for Highways England to deliver the upgrades to the connections between the M20 and M2 – including the A229 and A249 – and the wider network improvements desperately needed along the A2/M2 to support the splitting of traffic between the M2/A2 and M20/A20 corridors.

KCC is pleased that the Government has selected the Western Southern Link, which was KCC's own preferred route on the Kent side of the crossing, as this will minimise the environmental impacts and avoids the village of Shorne. The chosen route has greater opportunities for tunnelling or using cuttings for part of the route to reduce the noise and visual impact.

KCC will provide input to the plans as they are developed to ensure that any negative impacts are mitigated and so that Kent's residents get the best deal from this significant investment in the infrastructure.

What must happen now is for Government to give reassurance to those affected by the new road and so KCC will continue to insist that a generous compensation package is provided for property owners affected.

KCC fully appreciates the distress that this proposal has caused to the local community but due to the transport and economic benefits that a new Lower Thames Crossing will provide, we believe this is the right decision for the county, and indeed the country.

In a report produced by the Department for Transport dated 9 July 2003, one of the several schemes then recommended by the study as possibly being justified in the longer term, subject to resolving potential environmental impacts, is the improved Dover access via A2 capacity improvements between Lydden and Dover, effectively dualling the last seven miles.

The Secretary of State is not asking the Highways Agency to prioritise work on the route at this stage. KCC is trying to get the Department for Transport to review dualling of the last stretch of the A2 to Dover.

I have heard "there are A2 extension plans going ahead." This is incorrect. "There are no A2 extension plans are going ahead" currently.

Produce Association

A timely reminder to look at the Club's Show schedule to see what is in the Summer Show and if there is anything you could enter. We also have an expert's advice on how to prepare your veg for the show bench. This takes place before the Show, so you will know what to do and how to do it. The date is Tuesday 4th July at 7.30 pm and it's in the lower village hall. It's free to our members and friends. If you have any veg you would like to see prepared please bring it along.

We still have a few seats on the coach to Hyde Hall on the 5th August so if you would like to come please ring John, Carol or Daphne. Those who have booked - John would like your payment please if you haven't already paid. The phone numbers are: J.822954 C.830535 D.821640.

The children of the village primary school have now started to plant their allotment. There are five small plots in a half an allotment which was prepared this winter. Each class has their own garden.

So far they have planted potatoes, onions sets, shallots and cabbage. There is also a plot for the after school gardening club which is on Mondays. They have planted the same. If any parent would like to see their children's work, the plots are clearly marked with the class name. They are on the lower allotment site on the left and at the far end.

Things to do in the garden:

Sow outdoors

Legumes; French beans, peas and runner beans.

Roots; Beetroot, carrot and swedes ect

Salad; Lettuce etc

Keep working the hoe in the rows to keep the weeds at bay

Earth up potatoes

Plant out the more tender plants

Regards, Trevor

Just be careful – out there!

Discretion – what is it
and what does it mean exactly?
How do we deal with it each and every day?
In reality and matter-of-factly.

Does it simply mean we repeat things
we are told, but shouldn't?
Nowadays, with the subtle dangers of Facebook, our lives are
broadcast and out there.
Some things and thoughts expose us to heaven knows what,
and maybe more than we're aware.

I've just looked up an alternative word –
a better one, perhaps?
Its called discernment – having good judgement –
to decide whether to repeat confidences ... or not.
Probably a lot less expensive than libel or slander,
it should make you stop and wonder.

Why hurt people by breaking their trust?
Why burden them with more worry, if you feel you must?
Why not stop to consider first,
before you go and do your worst –

THINK, CONSIDER, RETHINK

Dear Villagers

You may have noticed that, for some time now, the weathervane above the village hall clocktower has been leaning and this lean has accentuated recently.

Therefore the Village Hall Committee are investigating either its removal, repair or replacement. This is not made easy by the height for access, and so the most cost expedient way will be determined.

Crafts in the park - On Sunday 18 June from 11am–1pm, join Dover smART in the marquee in Kearsney Abbey. Children can cut out a large leaf, write why they love the park on the back and then paint the front. The leaves will be hung up as an installation inside the tent and children can collect them after 1pm. Please book your place at https://www.eventbrite.co.uk/e/dover-smart-projects-big-leaf-art-installation-tickets-34284935164?utm_term=eventurl_text. There is no fixed price for the workshop, but Dover smART will ask for a donation to take part.

At the same time, help us to make an 'alternative' map of the parks! We'd really like to hear about any nicknames you have for different places in Kearsney Abbey or Russell Gardens. Email your names to kearsney.parks@dover.gov.uk, or drop in to see us at the marquee in Kearsney Abbey on Sunday 18 June, from 11am-1pm.

Yoga in the park - Join us on Sunday 18 June for a yoga session in Kearsney Abbey! The yoga will take place in the marquee, on the site of the old outdoor theatre. The sessions are being led by local teacher Hilary Horton. There will be a session for children from 2pm-2.30pm, and a session for adults from 3pm–4pm. The children's session is £1.50 per person and the adults' session is £3.50 per person. Proceeds will be split equally between the Kelly Turner Fund and the Kearsney Parks project. All levels are welcome! Mats will be provided.

To book your place, please go to <http://www.kearsneyparks.co.uk/yoga>

Big Tree Climb - There are still a few tickets left for the Big Tree Climb on Saturday 1 July! If you fancy seeing the trees and park from a different perspective, join the Big Tree Climbing Company. Under the supervision of an instructor, and wearing a safety helmet and harness, you'll climb high into the tree canopy. The activity is open to children aged six and over, and adults. Tickets are £20 each. To book a place, go to www.bigtreeclimbing.co.uk

The next **Kearsney Parks Forum** meeting will take place on Wednesday 14 June, 5.30-7.30pm at Dover District Council offices. There will be the chance to meet other Friends groups of local parks, to share experiences and to network. Light refreshments will be provided. If you would like to come along, please email kearsney.parks@dover.gov.uk by Friday 2 June.
