Hello All

Well, the Wedding was lovely, wasn't it? A beautiful bride and handsome prince for her groom - it was like a Disney film!

I need your help in tracking down a lady called Moira Mason. She kindly rang me about a photo she has of the gentleman in last month's article about Temple Ewell in Wartime. I was meant to ring her back, but I must have taken her number down incorrectly because when I tried it was not recognised. I would like to hear from Mrs Mason again and apologise to her.

There's plenty going on this month in the village. The School Fete is at the end of the month and that's always a very good and well attended event. Earlier on in the month is the W.I. Exhibition of Arts and Crafts in the Village Hall, which I'm sure will be very interesting, and of course there's the Templeside residents' celebration of 50 years residency in the village. It's not that surprising that so many who moved into Templeside when the houses were built are still there, as it's such a lovely village to live in. Even many who have moved out of Templeside have stayed in Temple Ewell. Hope you all have a great celebration!

The 100 Club draw, being organised by Alison, see page 7, is a brave new venture aiming to raise funds to help maintain the fabric of the church. It is hoped that even non-church goers will want to contribute towards preserving this historic village building for generations to come.

Friday Club

A quiet month for us, although we looked forward to our pre-wedding party (Royal Wedding that is) on 18th May in the Village Hall. We decorated the hall in bunting and flags to make it look Royal and members wore their hats and tiaras.

We had a nice Strawberry Tea and continued the afternoon with a good old sing-a-long with guest singers John and Peggy, my Pearly King and Queen friends. I kept their visit as a surprise for our members so as not to spoil the fun.

Hoping you all enjoyed watching the wedding on TV and had fun if you held celebrations of your own. I know we did.

Until next time

Parish Church of St Peter & St Paul

June Services, to which we warmly welcome you

At Temple Ewell our Sunday Club meets at 10.30am during term time, as advised.

Priests for June

3rd Father Michael Morris

10th Father Peter Sherred

17th Father Richard Woods

24th Father Richard Woods, Archdeacon Darren Miller to preach

All services at Temple Ewell 10.30

What is going to become of our Church, and who will be able to replace Father Paul? These are frequent questions asked around our village.

Well, we are not sitting around doing nothing. As a PCC we are meeting with Lydden and seriously considering the way forward. Having been present at a wedding on the 12th May, it was an amazing how we are now on the map and people realise that the Parish Church is active and needed in our community.

We do qualify for a part time priest which may happen in the not so distant future.

In the meantime we have been praised for the warm welcome received by visitors and newcomers alike.

You may not have heard our bell ringing that is because of a problem which we are investigating.

Our new Archdeacon Darren Miller is coming to preach to us on 24th and a good congregation would be most welcome.

Many thanks for your continued support.

Peter Austen (Church Warden)

Baptismal Tea

This is an invitation to any parents or godparents whose children have been baptised in St Peter & St Paul Temple Ewell to renew their vows and join us for tea on June 10th at 3pm.

Children will of course be most welcome – it would be lovely to see how they have grown! Invitations will be sent to all we have addresses for and who were baptised on the last 3 years but we would love to welcome all others who have celebrated at our church.

Just let us know if you would like to attend for catering purposes. We would not like to run out of cakes!!

T E Produce Association

Our coach trip to Penshurst Place, on a beautiful sunny Saturday 5th of May, was enjoyed by everyone. There were 150 craft stalls, house and gardens to explore. Many thanks to Carol and Daphne for organizing it for the club.

Our next event will be the Summer Show on the 14th July.

We hope all is going well in your garden or allotment. I am growing some chrysanthemums for something different as well as my dahlias.

Regards Trevor

At our May meeting we discussed the Resolution, concerning mental health issues, which will be put forward at our AGM in Cardiff in June. Our aim is to lobby the government for better support for mental illness.

Jill, one of our members, gave us a humorous and informative talk about her holiday to Morocco with her mother. Their adventures started as soon as they got off the plane. Before they were taken to their hotel their taxi driver took them to visit a souk. During their stay they were taken by camel to the Atlas Mountains and spent some time with a nomadic tribe. They were also introduced to a Moroccan family who invited them to stay the night. They appreciated their hospitality and enjoyed an evening of fun, laughter and dancing - definitely a holiday to remember.

Our next meeting will be on June 14th when we will be playing short mat bowls.

Just a reminder about our arts and craft exhibition on 16th June 12-4pm.

Temple Ewell Players

We hope many of you supported last month's play 'Curtain Up!'. At the time of going to press ticket sales were not great, hampered we think by both a football Cup Final and a Royal Wedding on the same day as our last performance! We're sure that those who did attend enjoyed the hilarious comedy and appreciated the huge amount of work put in by our Director Cindy, the cast and crew.

Our next show is 'Oliver', the well known musical, which naturally will feature our Junior Players. This is a full scale show however, so we also need adults for at least ten main roles such as Nancy, Fagin etc, and adult chorus.

There is a meeting about the show in the Village Hall on Thursday 31st May at 7pm with auditions on 5th and 7th June, same time and place. Jon Regan will be directing and Sally Parker is looking after the music. Come along to find out more and 'consider yourselves at home!' **Mike Brodie**

DDC AGM Report 2018
(Summarised for editorial reasons)

It has been another productive and extremely busy year serving and representing the Ward of Lydden and Temple Ewell as your elected Councillor. I must highlight a special thank you to all residents for working and feeding back directly to me, to help raise issues important to you all in both Parishes.

The last annual period has seen an increase in my general DDC duties and solid good interaction with residents over many issues including broadband speed, speeding traffic, potholes, resident social issues, verges, road signs, street lighting, anti-social behaviour, property boundaries and various planning applications, as well as the usual ongoing fight to keep the village free from disrespectful foreign HGV EU drivers whom still seem to be entirely ignorant of any UK traffic laws, road skills or road signage!

Acting on residents' information, several illegally fly parked HGV trucks have been moved in the ward, although no EU HGV enforcement has been actioned to clamp or fine illegal activity. However, I am very happy to report the area at the top of Lydden hill (opposite Husks) is now a restored wildlife space, with more wildflower seeds sown this year, successfully ceasing endless illegal HGV obstructions after having organised the top soil to be placed there via KCC Highways. During the year the wider area was also deep cleaned by DDC services, after my intervention, to remove the final dumped littering of chemicals, car parts and alcohol and food waste products.

I am delighted to see the road, which had been reported as terrible condition between Temple Ewell London Road and Watersend Farm, has finally been repaired.

In one two month period this year DDC saw our busy timetable go into overdrive when previous long term leader Cllr Paul Watkins suddenly resigned and stood down to make way for a new leader, Cllr Keith Morris.

The Government Electoral Boundary Commission declared its intention to reduce, change and review Dover & Deal Ward boundaries in line with many other areas. Dover is a very exciting place right now with more locally managed DDC inward investment than anywhere else in East Kent and local house prices are souring as a result.

We also saw St. James retail regeneration space start to open to the public with a fantastic six screen cinema and various restaurants and shops. Dover is now seeing the benefits of the development, the car park is full most days and it is still not completely open. As for concerns regarding the Old high street shopping areas of Dover being negatively impacted, we have seen a recent rise in footfall from 60K per week to 110K people per week since St. James opened! This matter is still being monitored as part of the widening focus on Dover under our newly elected DDC Leader.

May I personally put on record my thanks to the various departments at DDC and Kent Highways for resolving a number of local issues over this last year. Also special thanks to all those residents who have worked with me to help raise issues important to both parishes.

I support direct contact with all residents over any DDC issues of concern and I will engage and help protect the overall wider wellbeing of the villages, with a particularly strong focus on planning applications or environmental issues that do not benefit the village or surrounding areas.

Huge thanks to the both the Temple Ewell & Lydden Parish Councils for their ongoing support during the last 12 months and apologies for not making so many parish meetings this year, but DDC meetings elsewhere have been busy voting in so many changes for DDC.

I hope to attend a few more parish meetings next year, however below are my full 24/7 contact details should anything ever need my urgent attention for any Parish Council or resident issues.

Best wishes

MERCI MERCY

This month we will look at the meaning of the word mercy.

What is mercy? There are several Hebrew words that are associated with God's mercy:

Racham – means "to love," "to have compassion," or "to show mercy." Chesed – means "goodness," "kindness," "mercifulness," or "loving-kindness."

Kapporeth – means "ransom," "propitiatory," or "the mercy seat."

These Greek words are associated with mercy in the New Testament:

Eleemon – means "to show mercy," "to pity," "to have compassion," or "to be merciful." Oiktirmos – carries the concept of "compassion" or "pity."

We say mercifully something bad didn't happen, so in that sense we are being thankful of a good outcome.

William Cowper sums God's love and mercy for us in his writing:

God moves in a mysterious way
His wonders to perform
He plants His footsteps in the sea
and rides upon the storm.
Ye fearful saints fresh courage take,
the clouds ye so much dread,
are big with mercy and shall break
in blessings on your head.

Our activities continue as usual:

Future Events

Hedgehog Week

'Hedgehog Week' in early May highlighted for us all the need to be 'Hedgehoggy' aware. These spiky garden mammals are protected in England under the Wildlife and Countryside Act, 1981. The British Hedgehog Preservation Society, britishhedgehogs.org.uk founded in 1982, offers a plethora of advice and tips on how to care and/or attract hedgehogs to your garden. There has been a significant 75% decline in their population and their extinction is becoming a reality. Living in the lovely countryside as we do we may be privileged to have the Hedgehog as a regular visitor, devouring those pesky slugs. So let's support their protection by being aware of such hazards as:-

Open drains, slug pellets and pesticides, lawn mowers, stringers, netting and bonfires.

I also recommend 'The Last Hedgehog' by Pam Ayres who gives us in poetry exactly what we can do to keep them alive and see them thrive once more. Let us all ensure that 'Mrs Tiggywinkle' is just not just alive in books but visible and fascinating for our grandchildren!

KCC launches campaign to help children cross safely

Three in four crashes involving children on Kent's roads are because of youngsters not looking properly or paying attention before they cross.

Child pedestrians are consistently shown to be at their most vulnerable between the ages of 11 and 16 as this is often when, with increasing independence, they begin their first solo pedestrian journeys on potentially unfamiliar routes. As a result, Kent County Council's road safety team has launched a new campaign to address the issues with this age group.

KCC road safety team leader Vicky Harvey said: "These are simple messages – for instance ensuring you look right first - but it's clear that young pedestrians aren't properly considering the dangers when crossing the road. Modern technology is also causing distractions as well as not understanding the dangers when playing near roads and this campaign is a reminder of some of the simple strategies children can use to cross the road more safely. We want to get this message across to as many children who will be making their first trips to secondary school in September without their parents or guardians and new schools might mean longer journeys. To help us engage we'll be visiting retail centres across Kent over the summer holidays with videos and quizzes to help educate children in the importance of pedestrian safety."

The campaign, which includes adverts on buses, goes back to the 8-bit era of computer games and utilises pixel art to get the message across. It also harkens back to a time before children had mobile phones – a recent survey found 64% of children used their phones whilst crossing over or near roads.

Visitors will be able to pick up a branded top-trump style game and keyring, further reinforcing the pedestrian safety messages. Collision data shows most incidents take place at the start and end of the school day and boys are slightly higher in the statistics.

Top tips:

- look right first – look left, then look right again before crossing - that's where the first car to hit you would come from, but also consider a speeding vehicle overtaking, so keep checking as you cross the road.
- don't mess about with friends near the road - concentrate for those few vital seconds to make sure it's the right time to cross.
- find a safer place to cross - could be a crossing or just away from parked cars.

- remove distractions such as earphones - have your mind on the road and what's important is to cross safely, your ears and eyes together will give you more information.
- do not use a mobile device while crossing the road - concentrating on a conversation or a song means you are not concentrating on what can do you most harm.

Brownies

Easter Hunt

At Brownies we had an Easter Hunt. We had to find pictures of Peter Rabbit and his friends hidden around the Baptist garden. When we had found any of them we stuck them onto a sheet. So, we set off to find them some were easy and some were not! When we had found all 12 stickers we were given 12 small Easter eggs. Then we had to find one small egg each, hidden in the room, and later on a bigger Smartie egg. All in all it was very good fun and a tasty Brownie evening. **Delphie**

Candles and Carrots

We practiced with a long match. We made sure we struck it away from us and then we lit our candle. It was the first time for me lighting a match. We then went and had a go at hammering nails into a carrot, potato and grapefruit and then we had to pull the nails out with pliers. It was very hard with the carrot and potato and took a long time to pull them out. We then had to put a screw into them and unscrew them. The carrot and potato were difficult but the grapefruit was really easy. It was great fun and I would like to do it again. **Ashlea**

The Marlowe

We went to see Jungle Book with lots of other Brownies, Guides and Rainbows. It was very good. I mostly enjoyed the songs, costumes and the story. It was great fun. **Willow**

Scavenger Hunt

We went around the garden to find different coloured flowers and brown and green leaves and walked up to the wood and found snail shells, feathers and sticks. We then made them all into a picture. I also made a butterfly out of my things. We also found a 'Channel Rock' hidden in a tree when looking around. **Georgie**

Temple Ewell Parish Council

The Parish Council is delighted to announce that Dominic Castle has agreed to take over the role as Chairman for the allotments this year, with the full support of the allotment committee.

Dominic moved to the village in 2001 and has held an allotment for the last 6 years. A few years later he joined the Allotment Committee and has become a valuable member of the group. He works in local schools teaching sports and also invests a lot of his own personal time educating and promoting healthy living to local primary schools.

Since 2013 over two thousand children have visited the Temple Ewell allotments, learning about the growing cycle of fruit and vegetables and gaining the skills required to prepare the soil, plant seedlings, maintain the plants and harvest the crops. The children have been so inspired by their visits to the allotments that the classes at River Primary School are now involved with their own gardening projects in and around their classrooms and have designed a recipe book to raise funds for future projects. In addition St Margaret's Primary School have now established a courtyard garden and each class has a section of the courtyard.

The Parish Councillors, allotment committee and plot holders would like to pass on their sincerest thanks to Peter Upton for all of his hard work and dedication as Allotment Manager, he has been part of the group since the mid-90's. His support, knowledge and encouragement to old and new plot holders, has been invaluable.

The full Parish Council meets on the last Tuesday of the month (excluding August and December) at 7.15pm at the Temple Ewell Baptist Church Hall on the corner of the High Street and London Road. Parishioners are most welcome to attend and contribute to meetings.

The agenda and minutes are displayed on the Parish Council notice board by Southdown Stores and on the Council website. Should you wish to put anything on the notice board please contact either the Clerk or the Chairman.

Contact details for councillors are on the website:

Remembering the end of World War 1 in November 2018 - Please can you help us?

Our November issue this year will be a special one to commemorate the end of War 1, which happened 100 years ago with the surrender of Germany on 11th November 1918.

We have two things planned that we would like your help with:

1. A special edition of the Newsletter with articles about the war and those who were affected by it.

Please send in anything that you think will be of interest.

Articles can be emailed to me at templeewellnews@gmail.com or posted to me at 13 Chilton Way, River, Dover CT17 0QB.

If you have information of any sort, but do not wish to write an article your self we are more than happy to visit you and take down details instead.

2. An exhibition of photos and memorabilia from the time of WW1 with soup lunch - a chance to have a look and a chat about the exhibits

If you have any of these that you would be prepared to lend us (we promise to take VERY good care of them) please let me know.

If you would like more information or assistance with either of the above please ring me on 01304 826386 - Jeanette Potts (Editor)

Smiling – always smiling

A day in the life of a hospital Carer or Nurse
with a long day ahead of her.
That beautiful smile fixed on her face
to care and reassure.

All that she is expected to do and more,
taking pressure readings, filling the saline tubes,
fetching the bedpans and commodes, and then cleaning
them out.

Making that patient feel they are the only one on the Ward.

Closing the curtains, giving the patient a wash
unless they can do it on their own.

If they can, the girls get on with the stripping, changing and
remaking the beds.

Then sitting the patient up dependent on the state they're in.
Smiling all the while.

Temperatures to take, medications to give out,
answers given to Consultants and all.

Helping to feed those in their care.

Smiling all the while.

This I experienced for ten days a few months ago, if you can recall.

Care and expertise, respect and humour all.

Patience and reassurance when I had the post-op blues,
smiling all the while.

.....
Thank you, Kings Ward C1
