Hello All

Our new financial year starts with the October Newsletter, so we have some new adverts and have lost some of the old ones (inevitable each year). So, if you would like to advertise with us we have spaces and would be very happy to hear from you. Many of the businesses featured in the Newsletter find this type of advertising to be the most cost effective for their needs.

Megan Keehner is the new PCSO (Police Community Support Officer) for the village and her number is 07929 049947. This information can also now be found on the inside front cover with other village contact details.

Parish Church of St Peter & St Paul

October Services, to which we warmly welcome you

At Temple Ewell our Sunday Club meets at 10.30am during term time – as advised.

For details of our services please go to www.facebook.com/templeewellpepaul

October 6th	10:30am, joint family Eucharist for harvest, Fr Richard Woods
October 13th	10:30am, joint Eucharist, Fr Peter Sherred
October 20th	9:00am, joint Eucharist at Lydden, Fr Peter Sherred
October 27th	10:30am, joint Eucharist at Temple Ewell, Fr Michael Morris

As we move into October, we look forward to our Harvest Festival which is traditionally a celebration of the food grown on the land. Thanksgiving ceremonies and celebrations for a successful harvest are both worldwide and very ancient. In Britain, we have given thanks for successful harvests since pagan times. We celebrate this day by singing, praying and decorating our churches and this year we will share the service with our friends from Lydden. It will be a family service with our Sunday Club taking part, so do feel very welcome to join us at 10.30am on October 6th for a special service of thanks for all the food of the harvest we enjoy. It marks such an important time of year.

It's interesting to note that we have moved away from the traditional donations of fresh food and flowers, as we now take donations for local causes. The school does a wonderful job of collecting their harvest donations and displaying them in church, and this year as in previous years all items will go to Dover Foodbank. The number of families that the Foodbank is providing food too has been increasing, and they continue to ask for support to maintain their stock levels. There is a Foodbank collection box inside the church porch, so if you would like to place any items in it please do – the church is usually open every day.

This year our Gift Day will be on Saturday 12th October, and you will see one of our churchwardens sitting on the bench outside Lorna's from 10am until noon – she will be hoping for good weather! We know how much you care for our beautiful church, and this is reinforced by your kind and generous donations. We hope that we will see you at the bench as in previous years.

FLOWER FESTIVAL - Flowers Through the Ages

For three days over the last weekend of August St. Peter and Paul Church was festooned with a wonderful array of flowers and displays that portrayed various periods throughout history. At the entrance the Brownies had made a colourful presentation of paper flowers topped with an Owl. The Porch was full of grasses, a deck chair, pebbles and shells representing The Sea with the bow of a fishing boat scattered with various brightly coloured fish representing St. Peter, the fisherman.

Once into the Church there was a 'memory board' that had the names of those who were being remembered and prayers offered. Turning to the right the displays focused onto the various historical periods beginning with the Egyptian era, followed by Roman and Greek with a Dutch and Flemish display on the Font. The Tudor period filled the corner and up on the Sills and shelf the Georgian and Victorian period was beautifully portrayed in flowers. Art Nouveau draped the Pulpit with an Edwardian theme dominating the Sanctuary. A beautiful display of the Church silver was spread across the Altar with a professional flower display of cream flowers and green on either side.

The display representing Art Deco attracted interest and discussion whilst in the Lady Chapel the Knights Templar were represented as was the mid-20th century florist Constance Spry. Also, and of great interest, the Church Archives were available for viewing. The Festival culminated in a 'modern' display of Hydrangea encased in a thick blue twine. Over the three days of the Festival free refreshments were on offer up at the Millennium Hall with cakes kindly donated by volunteers. Very well done to everyone!

Jenny Olpin

It was wonderful to see so many people involved, many of whom were not directly involved with the supporters of it. The displays were astounding, and the church looked beautiful. It

attracted a lot of visitors who we're sure were very impressed! Huge thanks to everyone who took part, and especially Jenny Miles for organising and Alison Worton for keeping workers and visitors fed and watered.

Judith Shilling

Thanks also from me to everyone who supported the Flower Festival, either by helping to arrange or coming to admire. We met some lovely people from New Zealand, Canada and Israel, Nottingham, Durham and of course locally. The Church benefited by a collection of £550, so it proved a rewarding weekend.

The Cathedral service for the confirmation of Isabella and Christopher was beautiful. The youngsters looked very grown up and we all enjoyed sharing it with them. Bishop Tim was very enthusiastic with his rebaptism of water and those nearest the front received quite a shower! Congratulations to you both.

Jenny Miles

Church Ride and Stride

On Saturday 8th September Amanda, Phil, Chris and I set off a week early to do the annual 'Ride & Stride' challenge. Due to us all being unable to do the designated 14th September date we sought permission to take a photo of each church we visited to validate our attendance! A lovely ride beginning in Temple Ewell then out to Lydden and up Coldred Hill and across to Shepherdswell. From

there we ventured to Barfreton, through to Elvington and Eythorne, stopping for refreshment in the lovely East Kent Railway Café, and then across to Waldershare.

Our route then took us onwards to Church Whitfield. We planned to do the 'Langdons' but time was passing so we veered on to Guston where we met up with partners and enjoyed a lovely lunch at The Chance Inn. Refreshed we then departed down Waterworks Hill into Dover and wound up down town,

witnessing two weddings, and then up and through to River where we were pleased to have cycled 20 miles and visited 20 Churches. Our version of 20/20 is now documented pictorially on Amanda's phone! We were pleased to make our donations for the Ride to our Church St. Peter & Paul, Temple Ewell.

Let us know should you want to join us next year!

Friday Club

Not much to report on the Friday club for September BUT we have booked a coach for a shopping trip end of November and booked our Christmas lunch at The Fox. We shall also have a Halloween Party at the end of October, so plenty going on for the remaining months of this year.

Get well wishes to everyone suffering hay fever with this warm weather but, alas, it will soon be over. Oh well, enjoy it while we can.

Until next time
Yvonne

T E Produce Association

Our Autumn Show, held in the village hall on Saturday the 7th September, was well supported by the village. We had a number of members entering for the first time and they did very well, so a big thank you to them and all the other members who entered to make our show a success. We decided this year to not charge an entrance fee but instead to have a donation to a charity on all three shows. This one was for Air Ambulance and you raised £122.00, so thank you .

The next meeting this year will be the A.G.M.in the lower hall on Tuesday 29 October at 7.30. Please come and give your support and your comments on the running of the club. Hope to see as many of you as can make it on the night. If you have any spare time we are needing committee members as we have lost some this year. We have just three committee meetings of about one and a half hours and three shows on a Saturday about 9-5 and of course the AGM. Please think about it to see if you can help.

Regards
Trevor

Village Walk

On Sunday 8th September the Parish Council hosted the annual Village Walk, its purpose being to inspect the various Right of Way within the Temple Ewell boundary. Several walkers, including children and dogs, convened at the Lower Village Hall and opted to join either of the two walks on offer, one up onto Temple Down and the other through Watersend Farm and up onto the Minnis and Scotland Common.

Most of the adults followed Glenn Mousley, Chairman of the Parish Council, who led onto the common whilst those with children and those less able followed Cllr. Ruth Horton who took the shorter route up through the allotments towards Temple Down and back via Dragon Lane. Returning to the Village Hall the walkers were indulged by representatives from Temple Ewell Women's Institute with tea and cakes. A lovely afternoon!

CONFUSION

Many years ago the dictum was that you should not talk about religion or politics in polite society. This has not been used in recent times. The reason was, of course, to prevent the assembled company from becoming overheated. Perhaps there was sense in this directive after all?

Heated exchange is now the order of the day with the winner emitting the greatest temperature. To say that confusion reigns in public life would appear to be an understatement.

The Bible is full of stories which are helpful in everyday life and one would seem apposite at this time. A struggle for power, even over God! Let's build a tower right up to God and take control ourselves! A tower was thus being built in Babel but its construction was halted by total confusion because different languages were used, and people could not understand each other. Would it be a great stretch of the imagination to see similarities with our country's position today? Turning away from God always leads to confusion whether it is in national politics or on a personal level. The Bible tells us that God is the author of order and not of confusion.

Our activities continue as usual:

Sunday Family Service: 10.30am

Monday Keep Fit: 7.30pm

Wednesday Bible Study and Prayer at 10.00am at 7pm

13th October at 4.00pm. All ages, craft activities, Bible story and a meal, all free of charge. Our theme will be God's armour of light. All welcome.

Temple Ewell Parish Council

Welcome to my latest newsletter report for the Parish Council. It is funny that autumn seems to begin earlier but go on longer each year ! We had dew on the ground and condensation on the cars from the middle of August. Let us hope we continue to have warm days well into October. Our next Parish Council meeting will be taking place on the 24th September and there will be plenty to discuss, all parishoners welcome.

We do not get a lot of major planning applications in the village, but the development of End's Nursery into 14 executive style homes has been given the green light and building will be starting soon. Some may have seen the widening of the entrance which was one of the first steps to be taken. We hope that there will be minimal disruption in Lower Road while this work takes place.

Our new PCSO, Megan Keehner, has made a few appearances in the village and is currently in the process of re-arranging her first surgery for local residents. Tracking down Kent Highways staff requires great diligence and our Clerk, Andy has been using a variety of tactics and has finally spoken to the key person regarding traffic calming. We hope that in the near future a site meeting should lead to a plan at the junction of London Road, High Street and Temple Side which is increasingly hazardous for pedestrians.

The village events committee are now focusing on the annual Christmas Lights turn on the 1st December and a 75th Anniversary VE Day Celebration next May which will be a collaboration between Parish Council, Newsletter and other interested parties. Look out for updates. On a personal note, I have been working hard on the forthcoming Temple Ewell 10K Run which is to take place on the 13th October, starting at the Kearsney Abbey end of Lower Road at 10.00am. Entries are still available at www.templeewell10k.co.uk

We held our annual Village Footpath Walk on Sunday 8th September which was attended by around 25 persons and several dogs. The 2 walks either followed the route through Great Watersend Farm, across the Minnis and back down the Church Hill path, or up through the allotments onto the Nature Reserve, up to the A2 and then back down the Dragon Wood path. The W.I tea that followed lived up to expectations and they should be thanked for their help, as should Ruth Horton for helping with the organisation.

If anyone has any issues they would like to raise, please contact our Clerk, Andy Howard-Grigg (Howard_Grigg@hotmail.co.uk) or attend one of our Parish Council Meetings. We have the common aim of helping make Temple Ewell a great place to live.

Glenn Mousley – Chairman of the Parish Council

The full Parish Council meets on the last Tuesday of the month (excluding August and December) at 7.15pm at the Temple Ewell Baptist Church Hall on the corner of the High Street and London Road. Parishioners are most welcome to attend and contribute to meetings.

The agenda and minutes are displayed on the Parish Council notice board by Southdown Stores and on the Council website. Should you wish to put anything on the notice board please contact either the Clerk or the Chairman.

Temple Ewell W.I.

At our September meeting Steph Kerney, one of our members, gave a talk and demonstration of Qi Gong (pronounced Chi Gong) which comes from the same origins as shatzu, reflexology, yoga and acupuncture. Practically all of the members had never heard of Qi Gong but Steph pointed out that many exercises and practices that we know of give the same effect, which is about the cultivation of smooth flowing energy through the body using the same meridians as acupuncture, and many more of us had heard of that! To finish up Steph led us through some easy to follow exercises that help to maintain and improve health and mental well-being.

Our next meeting will be on Thursday 10th October at 7.00pm when the speaker will be Howard Smith who will give a talk entitled "Rupert the Anthropomorphic Bear".

County Councillor

Paul Carter announces he will be standing down as Leader of Kent County Council

“This statement is to announce my intention to stand down as the Leader of Kent County Council. The Conservative Group will elect a new Group Leader at the Conservative Group AGM on 4th October. The new Leader will be appointed and take over at the County Council meeting on 17th October.

After 14 years as Leader of Kent County Council, it is time to pass on the challenge to a new individual. This will enable the new administration to build on the successful track record of the County Council and prepare for success in the County Elections in May 2021. I will continue as a Kent County Councillor and intend to continue in public service, devoting my time and energy in two particular areas. In recent years, I have invested considerable time in health and social care integration, developing “Local Care”: accelerated progress in designing integrated health and social care services that support patients in the community and their own homes and avoids hospitalisation wherever possible.

Further to this, I would like to continue utilising my considerable experience in the education world. The post-16 education landscape needs radical change, greater choices and opportunities need to be provided to young people not destined to enter higher education. More vocational and apprenticeship pathways need to be developed alongside first class independent careers guidance.

Kent County Council staff and elected members should be proud of what has been achieved, particularly in the last 10 years of austerity. We have delivered extraordinary financial efficiencies and stretched public money to go further, improving and modernising the complex array of services that we provide day in, day out. We have protected many highly valued non-statutory services, such as preventative services that help and support the vulnerable, elderly and frail and continue with generous travel subsidises. Unlike so many local authorities that have reverted to the minimum “core service model”.

It has been a great privilege to serve as Leader of the Council and I have enjoyed every moment of the last 14 years. I shall miss the challenge and the adrenalin that the job provides, but perhaps not miss the long hours that the role entails.

Finally, a few important thanks. I have been very fortunate to have been surrounded and supported by many excellent staff and elected members of all parties.

I would also like to thank and acknowledge the support from the wider community, who work in partnership with us, particularly voluntary organisations. They all contribute so much to the rich tapestry that helps make Kent a great place to live, work and play.

I'm just an old Sew and Sew

Good afternoon, I am Stitch.

Never knowing where I'm heading,
or what colour I'll become.

I hope, at the end though, I'm admired and on show.

My Crafter has returned to one of her hobbies.

Upcycling, I believe its now called.

Where older or hardly-worn clothes are given a new look,
now I am being woven through an Arran top.

I am currently wool and coloured grey,
and halfway down the second sleeve.

She hopes people will like what she's done with me,
then she will gently wash what I am now adorning
and look forward to Winter, so she can wear what I have done!

Uh oh, she's got her eye on her next top,
so's she has got to practice her French knots.

I shall go dizzy 'cos she's got to twist me
two or three times round the needle.

No need to feel down, a bit blue, well, navy blue,
because what I do will give something a new lease of life!

garment 29th May!!!)

An Autumn Filler - Lentil & Bacon Soup

PREP: 5 MINS
COOK: 30 mins
EASY SERVES 3

Blend your storecupboard pulses with cumin, turmeric and garlic to create this robust soup with crispy pancetta topping

Ingredients

1 tbsp olive oil
1 onion, diced
2 x 70g packs pancetta cubes
1 carrot (about 120g), finely diced
1 tsp ground cumin
½ tsp turmeric
2 garlic cloves, finely chopped
1 chilli, sliced
2 low-salt stock cubes
250g red lentils, rinsed

Method

Heat the olive oil in a large saucepan. Add the onion, 1 pack of pancetta and the carrot. Cook on a low to medium heat for 10 minutes until the onions are soft.

Add the cumin, turmeric, garlic and chilli and cook for a further 1 – 2 minutes until the aromas are released.

Pour in 1.25 litres of boiling water, crumble in the stock cubes and add the lentils. Bring to a simmer and cook for 20 mins, stirring occasionally to ensure the lentils aren't sticking.

Meanwhile, fry the remaining lardons in a small frying pan for about 10 minutes until crispy. You don't need to add any oil as plenty will run from the pancetta.

Serve the soup with a sprinkle of crispy lardons on top.
