Hello All

I spent part of today, prior to working on the Newsletter, changing my wardrobes over to get my summer clothes ready. Well that was a mistake ….. it's turned out cold and rainy this afternoon!

One thing you can always rely on in this country is that our weather can't be relied on! Oh well, at least the garden's happy! Never mind, I'm off on my hols soon, yay!

Just a little reminder for everyone ….. there is no August edition of the Newsletter, so remember to let me have all your bits next month to cover both July and August.

I'd like to give **a big thank you** this month to all our regular Supporters, both through Patreon and standing order, who are continuing to help us keep the Newsletter's finances in a healthy state. Details of the scheme are on page 16, if anyone else feels they would like to participate.

DOES PRAYER WORK?

Our newsfeed today is full of the controversial arrival of small boats on our shores. Whatever your view it contrasts greatly with a time when small boats were awaited with hope, tinged with anxiety and earnestly prayed for.

On 26th May 1940, King George had called for a national day of prayer. The day was declared in response to Britain's perilous war prospects, including the British being trapped at Dunkirk. A second national day of prayer was on the 11th August 1940 when the Battle of Britain began.

Places of worship were filled, public spaces utilised to pray for the 'sons' of the nation as a very bleak outcome was predicted. Queues were witnessed outside Westminster Abbey as thousands answered the call to prayer.

Inexplicably, after prayers were given, Hitler decided to halt his Panzers Division who had blitzed their way through France and Belgium. The three-day relief allowed thousands more troops to be rescued.

The channel itself was unseasonably calm, the like of which hadn't been seen for a generation. Yet a violent storm arose over the Dunkirk region which grounded the Luftwaffe who had been killing thousands on the beaches.

A maximum of 20—30 thousand soldiers were initially estimated to be rescued. Instead, 335,000 allied troops were rescued that day, thanks to the flotilla of hundreds of tiny boats which sailed across for the rescue.

Answered prayer and the miracles of Dunkirk show how God responds to the prayers of a nation. Some compare it to the Israelites and the miraculous crossing of the Red Sea against the might of the Egyptian army. It may appear, when the world seems so troubled, that He is not listening, but be sure He is, and he will respond in His time and wisdom.

You are welcome to come to our Sunday Service at 10.30am. MEETING PLACE on Thursday from 2.00 to 5.00pm. Social event for all ages with toys for toddlers and other activities.

If you would like us to pray for a particular need or require assistance in the meantime, then please telephone one of the numbers below.

Produce Association

We hope all our members and friends have been busy in their gardens and allotments, as at the time of writing this we have lovely sunny warm weather, so much so we are having to water everything and expect you are too.

There's still about nine weeks until our summer show so start checking the schedule that is online, or we have some spare printed schedules if you would like one. Just give Trevor a call.

Thirty club members took part in the Club's Annual Mixed Triples for the Lorraine Curling Memorial Trophy. Each of the 10 triples played 3 games over 11 ends, with 3 points for a win and 1 point for a drawn game.

At the conclusion of the day's play, just the one triple had won all 3 of their games and were on the maximum 9 points. The successful triple was Malcolm Deakin (lead), Carol Wellard (2) and Steve Smith (Skip). In second place with 2 wins and on 6 points was the triple of Joan Harris, Mick Buddle and Muzz Law. The Trophy and prizes were awarded to the winning teams by the Club's President, Lyn Smith, who thanked everyone for attending and said she was pleased to announce that the Club had raised just over £180 for Club funds.

CAUSING A RAC(Q)ET

It's coming up for that time of year
the net, the racquets, the balls.
Get the housework done in the morning
'cos Wimbledon calls.

My mum used to rush around till 12 o'clock,
Then stopped abruptly for endless cups of tea
And biscuits for the afternoon and beyond.
My dad getting bored and feeling very conned

Into having to fit in with the endless shouts
of 40-love, ace, breakpoint and "you cannot be serious!"
He didn't exactly enjoy tennis every year -
In fact not delirious!

Aaah, it's over for another year
The Princess of Wales has done her job.
Mum looks forward to the following tournament -
"Oh……" says dad, "another job".

© **Anne Cox Adapted 2024**

At our meeting on 14th May we discussed this year's Annual Meeting Resolution "Dental Health Matters". One of our members gave us a brief run through of dental history and interestingly she told us that Queen Elizabeth I had disgusting rotten teeth due to her addiction to sugar. It is likely that the ordinary people and the poor had better teeth than their monarch because they could not afford sugar. There were no dentists as such and people had to rely on barber/surgeons for treatment.

With the birth of the NHS in 1948 dental treatment was free. However, demand led to a general charging by 1952. The current system was set up in 2006 with dentists who provide NHS treatment being contracted by the Government but in 2024 there is a chronic shortage of NHS dentists and people are suffering health issues as a result. The National Federation of Women's Institutes calls on the Government to increase investment in the training and retention of dentists and to review the current inadequate NHS contracts in order to ensure everyone can access an NHS dentist wherever they live.

After the talk and lively discussion which followed we enjoyed fish and chips and copious cups of tea.

Our next meeting is on Tuesday 11th June when our speaker will be Jonathan Patch talking about the charity "Mercy Ships".

Dear Residents of The Avenue

As a frequent motoring visitor to The Avenue, but not a resident, may I make a plea for improvement to your road surface? The potholes are now so deep, I'm sure even taxis will be reluctant to travel along there and this will affect the transport of car-less residents.

My enthusiasm for picking up friends by car is definitely waning!

VILLAGE HALL

We are very pleased that all the refurbishment works have finally been completed and the scaffolding will hopefully have been removed by the time you receive this newsletter. Our hall is now in excellent condition and we look forward to welcoming villagers and hirers for many years to come. The old snooker room has been renamed the 'Middle Hall' and is now available to hire at £5 per hour. We have already had one hire, one booking, and the Players are hiring it regularly during the summer months.

We held our AGM on the 22nd of April, at which the audited accounts for 2023/24 were approved, with thanks to the treasurer, Mrs Lim.

Mr Howard-Grigg (Acting Chair) commented that it was good to see the main hirers continuing to use the hall and that there had been an increase in casual hirers. The refurbishment was finally coming together and despite it being a large outlay puts the future of the hall in good stead. He thanked everyone involved in the refurbishment process.

All Officers stood down and nominations were requested from those present. None were forthcoming or had been received before the meeting, so Mrs Lim was duly re-elected as Treasurer and Mr Brodie as Secretary and Bookings Secretary. Mr Roberts had resigned as Chairman and a Trustee previous to the meeting, so as there were no other nominations Mr Holness agreed to be Chairman for a maximum of six months whilst a new Chair-person is found. Mrs Lim, Mr Brodie, Mr Holness and Mr Howard Grigg remain as Trustees. Mr Regan and Mrs Whetton completed the necessary paperwork to be added as new Trustees. Thanks were expressed to them for doing so.

It was regrettably decided that due to rising costs, mainly utilities, the hire rates be increased. The following new rates were proposed and accepted, with effect from 1st May 2024.

Upper hall £7:50 per hour Mon – Thu and Sunday
Fri £7:50 per hour up to 1800 then £11, Saturday £7:50 per hour up to 1800, then £12.
Middle and Lower halls £5 per hour.
Children's party rate will be £40 for four hours

We still remain one of the cheapest halls in the area.

As you will have read above, we urgently need a Chairman. It is not an onerous role, mainly involving leading the quarterly meetings, being a focal and liaison point for the village, and keeping a weather eye on village hall matters. If you would like to volunteer or find out more, please contact Mike

Mike Brodie
Secretary to the Trustees

A friend recently sent an article on *vorfreude*, a term and concept that I hadn't heard of. Translated as "the anticipation of joy", it struck me as such a hopeful concept. So what exactly is anticipatory joy, how do we cultivate it, and will it make us happier?

The idea is to find joy in the lead-up to an event. For example, we often feel joy and excitement when planning a trip, thinking about going on a date or anticipating a special meal. It's easy to look forward to holidays and special occasions, but a joy-filled life is also about everyday occurrences. The trick lies in filling our calendar with lots of little moments to look forward to – like tiny baubles that, when seen from a distance, combine to make a more glittering future.

If you are ready for *vorfreude*, it shouldn't feel like a chore. Mostly, it will involve exploring what you already have in your life that you look forward to. It takes only a small step out of habit and into awareness to enjoy the people we love around us, to savour food or to dance to music in our kitchen while cooking. These moments are available to us all the time.

So here are a few simple ways to get vorfreude into our lives. Start small, think positive, find joy in the everyday, savour the moment and treat yourself. Good luck, and enjoy the anticipation of joy!

PS I know the term *schadenfreude*, or “delight in another’s misfortunes”. But I think that *vorfreude* is the way to go!

Branching Out

We have had another busy month. We Visited Wildwood and have adopted a red squirrel for a year.

We went to Deal and played crazy golf on the sea front and on Sunday the 7th we all went to Ross's 30th birthday party. We had a disco in the Village Hall.

We visited the garden centre to buy things for our allotment then went to the Fox to play of skittles.

On the 12th we had Kentucky buckets for lunch to celebrate Max's birthday. We went to Folkestone and looked at all the fish. We have also been tobogganing with Becky, which was lots of fun.

Tea Afternoon went well, we cooked cheesy jacket potatoes and salad for everyone, followed by trifle.

We finished the month off with a litter pick! Look out for us next month in our yellow jackets. ***Luke***

Temple Ewell Parish Council

Firstly, I would like to thank the Parish Clerk Andy for compiling last month's article while I was away travelling. After over a month away, it was great to return to Temple Ewell and see all the trees in leaf although I must admit pretty much everything in the garden was overgrown. It was good to get out walking in the hills around the village reminding me of what a special location we live in.

I understand that while I was away, despite one or two hiccups matters proceeded smoothly regarding Parish Council.

The proposed project for the embankment adjoining Lorna's Hairdressers continues to encounter delays. Firstly, Kent County Council are being quite unreasonable in their request for £ 400.00 to just allow us to plant the embankment, particularly as we will be maintaining it from now on. We have established that the ground will allow the proposed planting but just need further discussions with District Council to clear a reasonable route forward. We still hope to be able to carry out the planting around the end of June.

The unpleasant problem of dog waste has reared its head once again and we would like to remind you all that dog waste should be placed in the "Red Bins" and not put in the normal litter bins on King George V Playing Field as these bins are provided by the Parish Council solely for litter.

On a related matter, dog walkers in Dragon Wood and the fields immediately above will have noticed additional signage that has been placed there by DDC. There will now be patrols by Dog Wardens in this area who will enforce and fine those that fail to pick up dog waste.

Our Annual Village Meeting took place at the end of April and we would like to thank firstly, Rob Philpott who gave an informative presentation regarding Beekeeping and the local diversity of plants that helps to support these vital pollinators. We would also like to thank the village organisations that submitted reports.

There are a number of village events that are approaching.

The first of these is the Commemoration of the 80th Anniversary of D-Day on the 6th June. Although few of the veterans are left, it is still important to remember the bravery and sacrifice of those that were involved in the landings on the Normandy beaches ; marking the beginning of the end of Hitler's tyrannical rule over much of Europe. In the village on this evening the church bells will be rung and the village beacon will be lit at sunset.

Soon afterwards is the first village boot fair on the 9th June, organised by Temple Ewell School PTFA as a fundraiser. This will be held in the King George V Playing Field and is not only a good opportunity to dispose of unwanted items but also the chance to pick up a bargain.

Later in June will be the village/school Summer Fete which is open to all.

Please look out for details of these events.

It is time for me to get the mower and strimmer out and try to get that garden under control. I look forward to writing to you again next month.
